SUNDAY SERVICES

International Bible Lesson for Tomorrow—Joseph in Prison—Gen. 39-20 to 40-15.

Golden Text—"But God was with Joseph, showing him mercy."

Here we have a thoroughly reliable youth in every way. Not 30, yet for 13 years as slave, steward and prisoner, proving what God can do for him, and will do for us, if we are as fully surrendered to Him. Notice that Satan fails to overcome Joseph and tries to tempt him for greatness, destined to rule, but first to suffer. The steps in Joseph's career closely typify the treatment of our Lord in His humiliation and exaltation. Loved by his father, hated by his brethren, delivered for a price into the hands of persecutors, falsely accused and condemned, opens not his mouth in self defense, but that he may deliver Egypt. So in Christ's hands is all power—Satan and men meant it for evil; God meant it for good.

FESTIVE FOOTBALL

Important Meeting of the Chatham Club Called for Monday Evening.

On behalf of the members, Secretary Max Fraser, of the Chatham Football Club, has called a meeting for Monday evening next at the Hotel Garner for the purpose of reorganization and other important business.

It was found impossible to personally notify all the officers and members, but it is earnestly hoped that there will be a large turnout of all interested in the game.

At this meeting the club will likely decide upon the advisability of again entering the League lists and elect officers for the ensuing season.

There is other business of importance to come before the meeting and every effort should be made to make it a roouser in the matter of attendance and enthusiasm.

Madame Cloutre's Story Will Interest a Sorrowing Woman Somewhere in Canada.

French-Canadian Lady Gives for publication, a chapter in her life, in the hope that Women Concerned May read Her Statement and Know the Truth.

Valracine, Que., Oct. 11.—(Special)—Madame Pierre Cloutre of this place feels it her duty to make public certain facts, and to this end has given for publication a statement which she has signed with her hand, and to which her husband has also affixed his signature confirming the truth in every detail of the story told.

It is only fair to Madame Cloutre to explain that in making this part of her life's history, she is actuated only by the purest of motives, the hope by so doing she may help another.

For years this good lady suffered much with kidney disease.

Her loving husband, sick at heart to see his wife suffering so much, tried everything he could hear of, but all to no purpose.

At last he read an advertisement of Dodd's Kidney Pills. He sent at once and procured two boxes.

Her statement reads—I was cured of kidney disease by Dodd's Kidney Pills. My case was one of long standing and very acute. My husband got two boxes of Dodd's Kidney Pills which I used. From the first dose I began to improve. I continued, and now can say that I am perfectly cured.

"I am making this statement for publication in the hope that some suffering sister may read it and do as I did, for I am sure that Dodd's Kidney Pills will cure her."

If this should meet the eye of any woman who suffers as Madame Cloutre did with kidney trouble, she should be guided by that lady's happy experience to use Dodd's Kidney Pills at once and be cured.

A TORONTO LADY'S STORY

Suffered From Backache So Severe She Could Hardly Raise Herself in Bed.

SHE THANKS DR. PITCHER'S BACKACHE KIDNEY TABLETS FOR COMPLETELY CURING HER AND GIVING HER NEW LIFE AND ENERGY.

There are hundreds of women in Toronto and thousands in Canada to whom life is an absolute burden on account of the unceasing ache in the back, the

irritability, bladder and urinary troubles, who are reticent about mentioning their ailments to anyone.

To all these kidney and backache sufferers Dr. Pitcher's Backache Kidney Tablets come as a veritable boon and blessing. They clear out the clogged-up kidneys, cure the backache and urinary troubles, roll away the burden of pain, and give health, strength and energy.

Miss Anna Defoe, a young lady whose address is 355 King street west, Toronto, recently wrote as follows:

"For a number of years I have had kidney trouble and backache, so bad that in the morning I could hardly raise myself. A severe dragging pain would catch me in the small of my back, and I had no appetite, and often suffered from severe headaches, and a general breaking down of the entire system was the result. But, thanks to Dr. Pitcher's Backache Kidney Tablets, they put new life and energy in me, relieving me of that awful pain and soreness gently and easily, so much so, that I continued to get better, until I was entirely cured. I am in condition now to make known to the world what Dr. Pitcher's Tablets have done for me and for whose future welfare I have the best wishes."

Dr. Pitcher's Backache Kidney Tablets are 50 cents a box at all druggists. The Dr. Zina Pitcher Co., Toronto, Ont.

Theatrical

Undoubtedly the most important musical event in Chatham in years is the coming to the Grand of the original Bostonians on Thursday, Oct. 17, in "Robin Hood," which has always proved their most popular production.

The Bostonians were at the Star Theatre, Buffalo, all last week and did a record-breaking business. This week they are appearing at the Princess Theatre, Toronto, and next week will play the only week of one night stands they will have this season.

Their coming to Chatham was only effected by the most persistent effort on the part of the management and it is to be hoped that local theatre-goers will appreciate the importance of the engagement and accord at home to the Bostonians the same patronage they have so often given them in Detroit. The Bostonians will, later in the season, play a week's engagement at the Detroit Opera House, using "Robin Hood" as their principal offering.

Dainty music, a humorous and interesting story, famous singers, pre-ty chorus girls, a trained orchestra, brilliant costumes and lavish scenic effects are the medley of good things promised in a production of that ever green and popular comic opera "Robin Hood," to be sung here by the Bostonians.

This famous organization has the reputation for giving the best that lyric market affords, and "Robin Hood" is so well known that little remains to be added. The Bostonians are thoroughly organized this season and are operated at a cost of over five thousand dollars a week. All the original singers will appear here and already seats are selling rapidly.

The Bostonians are so well known that little remains to be said concerning their reputation, only to add, however, that no company presents such an array of talented singers nor such a repertoire of standard successes. This season an unusually effective group of artists have been engaged for the tour, and the company has been thoroughly reorganized with several brilliant young singers added to the forces. Among the favorites who will appear here are the genial and veteran comedian, Henry Clay Barnabee, whose name is a household word with music-lovers, the equally well known and stalwart baritone, W. H. MacDonald;

young prima donna soprano, Frances Miller; and Gertrude Zimmer, the graceful contralto, Adele Rafter; the distinguished basso, Allen Hinkley; the comedians, George Frothingham and W. H. Fitzgerald; the popular contralto, Josephine Bartlett; MacDonald Dorrington, baritone, and Charles J. Swikard. The tenor roles this season are sung by the handsome and melodious baritone, and the opening of a large guarantee and the opening of a large guarantee and the opening of a large guarantee.

selected is "Robin Hood," which has enjoyed unparalleled vogue wherever sung. This opera is replete with the most dainty melodies, striking ballads and dramatic finales, while the humorous and romantic element predominates and comedians are given every opportunity for fun-making. "Robin Hood" is semi-historic and its scenes give every opportunity for lavish display and brilliant costumes. Sets of seats opens on Monday, Oct. 14th.

For Duke of York Celebration, London, Oct. 12th, W. E. Risping, will issue return tickets good going p. m. trains 11th, all trains the 12th and returning Oct. 14th, Chatham to London and return \$1.95 each.
