

CECILIAN

World Famous

"A marvel of the most perfect mechanism" is how a prominent university authority who recently bought one describes the Cecilian *All-metal Player-Piano*, made in Canada. It has been copied all over the world, but the Cecilian unit metal valve system cannot be duplicated. It cannot leak or get out of order. Without question it is the "Highest class player-piano in the world."

*We will take your old instrument in part payment.
