

“Off
to a
Good Start”

FALL frost in the air—leaves changing color—
human energy and enthusiasm the highest—
SEPTEMBER.

IT is a month of opportunity in the Sunday
School—a time to get “off to a good start” for
a vigorous Winter’s work.

RALLY DAY is Sunday, the 29th

IT is the day for rallying the forces of the Church
and Sunday School and starting into action the
ready, fresh, stored energy and enthusiasm

MUCH of the success in meeting the extra
demands of the coming days will depend on
the kind of start made on RALLY DAY.

What will you do about it?

SEND for free illustrated folder of ideas and supplies
for making the day real, rousing and gripping.
