dicate that whatever may be the conclusions of the committee the revenue bill will have a rocky road in both houses of Congress, and that it will be necessary to invoke caucus rule to put the bill through th

Magazines are Considered.

In seeking articels to tax the committee consider Capitalization was placed by the Journal at \$5,516,zines that accompany many Sunday newspapers. A
Democratic leader said that a purely nominal tax on 708,558,141 in 1912, 63,1141 in 1912, 63,1141 in 1912, 63,1141 in 1912 in 1912 The total authorized issues of stocks and bonds in 1913 were \$8,740,782,263. The capital stock and funded debt outstanding last year was distance of \$1 at thousand the periodical press would present the periodical press would yield an enormous revenue. Moving picture films may also be taxed. It was suggested that an assessment of \$1 at thousand feet on films would be productive of a considerab

That tickets issued to baseball games, theatres and other places of amusement will be taxed is virtually assured, although a final conclusion on this

n favor of a small advance in the rate on whiskey and rectified spirits. Whiskey now pays \$1.10 a gal-on. If the rate on this product is increased it will not be beyond \$1.25 or \$1.30. The argument is made that the framers of the law would be put in an embarrassing position if they increased the rate on beer, levied a tax on wines and soft drinks and let whiskey go free. So the chances are that for political reasons a slight advance, in the rate on whiskey will be authorized.

Railway Ticket Tax.

The big fight in the committee is being waged over The Eastern States have the largest capitalization per miles of lines, the heavy issues of the lines in the suggestion that a tax shall be levied on railroad tickets. This tax would yield approximately \$45.

New York City and Philadelphia bringing it up to 000,000. It appeals to the committee because it New York City and Philadelphia bringing it up to \$181813, while those in New England have the small-set issued capital per mile, the average in that section being but \$61,990. Next to the Eastern States, those in the West have the largest per mile capital ization, with an average of \$142,489. In the Central States the average is \$101,102 per mile.

Another suggestion was made that the committee because it appears to the committee to the committee because it appears to the committee to the c

the country, with 5.015 miles, just fourteen miles ore than New York, which is second in the list. based either upon value or horse-power, or that a

electric line in that State, and New Mexico is just its opposition to the adoption of any plan involving ahead with 10.5 miles. The combined mileage of the the use of stamps by the individual. Such taxes are regarded as vexatious and as tending to irritate th voters just before election.

No serious consideration has been given up to ACCEPTANCE MORATORIUM CEASES OCT. 4. date to any proposal for taxes on checks or other New York, September 8.— A local banking house forms of negotiable paper.
