WALT WHITMAN

By Flora MacDonald

My tribute to Walt Whitman is whatever I have done, and whatever I may do to propagate his Democratic Ideals.

To me, the Great Teacher has come, and "Leaves of Grass" is his text-book.

The Western Star has risen, and is shining brighter each year as it climbs towards the zenith.

The between of the Cradle and Coffin no longer holds us, and birth and death are only pages in the book of life.

Great Companion, who never yet has failed or faltered when we needed kindly light.

To you, Dear Walt; to you, True Friend.
