SAINT ANNE, OTTAWA RIVER. NOTICE TO CONTRACTORS.

SEALED TENDERS addressed to the Secretary of Public Works, and endorsed "Tender for Canal and Lock at St. Anne," will be received at this office until the arrival of the Eastern and Western mails on TUESDAY, the 8th day of October next, for the construction of a Lock and the formation of approaches to it on the landward side of the present lock at St. Anne.

A map of the locality, together with plans and specification of the work to be done, can be seen at this office and at the resident Engineer's Office, St. Anne, on and after TUESDAY, the 24th day of SEPTEMBER next, at either of which places printed forms of Tenders can be obtained.

Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and in the case of firms except there are attached the actual signatures, the nature of the occupation and residence of each security of the same, and further, an accepted Bank Cheque for the sum of \$2,000 must accompany the tender, which sum will be forfeited if the party declines entering into contract for the works, at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted.

For the due fulfillment of the contract, satisfactory security will be required by the deposit of money to the amount of five per cent, on the bulk sum of the contract; of which the sum sent in with the Tender will be considered a part.

Ninety per cent of the progress estimated will be paid until the completion of the work.

To each Tender must be attached signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the performance of the Contract.

This department does not, however bind itself to accept the lowest or any tender.

By order, F. BRAUN, Secretary. Department of Public Works, Ottawa, 19th Aug., 1878.

THIS DISCOVERY

Is the result of a series of Scientific Experiments based upon the theory that "for the successful cure of Wasting Diseases, the nervous system must be made vigorous and healthy."

One of the first symptoms of disease affecting either the Liver, Lungs, Heart, Stomach, or Genital Organs, is a loss of nervous power. This is followed by muscular relaxation, weakness, and emaciation of all the organs which depend for health on involuntary muscular action, the weaker suffering first.

Now, as the muscles and nerves depend so much upon each other for efficient strength and action, and as the organs they control depend on both, it becomes an actual necessity to treat the nerves and muscles directly in order to speedily and permanently cure diseases of the above named organs.

The inventor, acting upon these ideas, after months of experience, during which time he had ample opportunity for trying the effect of his discovery, became convinced that no other preparation known contained so potent and direct an effect upon the nervous system as his

COMPOUND SYRUP OF HYPOPHOSPHITES, and except in cases of actual organic loss, that it would restore patients suffering from those maladies.

Amongst the diseases overcome by the use of this remedy are the following:— Chronic Constipation, Chronic Dyspepsia, Asthma, Chronic Bronchitis, Consumption, Chronic Diarrhoea, Chronic Laryngitis, Melancholy, Nervous Debility.

COMPOUND SYRUP OF HYPOPHOSPHITES The power of arresting diseases displayed by this preparation is honorably acknowledged by the medical faculty in every section where it has been introduced; and the large sale is the best guarantee of the estimation in which it is held by the public.

This Syrup will cure Pulmonary Consumption in the first and second stages, will give great relief and prolong life in the third. It will cure all diseases originating from want of Muscular action and Nervous Force.

Do not be deceived by remedies bearing a similar name no other preparation is a substitute for this under any circumstance. Look out for the name and address J. I. Fellows', St. John, N.B., on the yellow wrapper in water mark which is seen by holding the paper before the light.

PARKS' COTTON YARN.

Awarded the Only Medal Given at the Centennial Exhibition. FOR COTTON YARNS OF CANADIAN MANUFACTURE.

Numbers Five's to Ten's. White, Blue, Red, Orange and Green Made of Good American Cotton with great care. Correctly numbered and Warranted Full Length and Weight.

We would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Throble Frames, which make a stronger Yarn than the Ring Frames, used in making American Yarn.

It is also better gisted and more carefully reeled; each hank being tied up in 7 lbs of 120 yards each. This makes it much more easy to wind than when it is put up without lead—as the American is—and also saves a great deal of waste to those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

COTTON CARPET WARP, MADE OF No. 10 YARN, 4-PLY TWISTED WHITE, RED, BROWN, SLATE, &c. All fast colors.

Each 5 lb bundle contains 10,000 yards in length and will make a length of Carpet in proportion to the number of ends in width.

We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has become very general use throughout the country.

All our goods have our name and address upon them. None other are genuine.

JOYFUL NEWS FOR THE AFFLICTED.

TONEY RIVER, N. S., Nov. 15, 1877. C. Gates & Co.,—Gentlemen,—Some time last winter one of my children—a little boy about eighteen months—was badly frightened and his helms became seriously affected. On the last alarm he used to go off in a kind of fit, becoming motionless and black in the face, his heart at the same time palpitating in the most alarming manner. Each fit was worse than the preceding one, causing us to fear heart disease. Hearing of some of the numerous cures effected by your medicines in this and other localities, I procured from your agent, Mr. E. A. Gile, a bottle of your No. 2 Bitters, and before it was half gone I noticed a marked improvement in the child's health. A second bottle completed the cure. The little fellow is now perfectly well and I am perfectly satisfied that Gates' Life of man Bitters saved his life. You are perfectly at liberty to publish this certificate if you wish so to do.

With respect, yours truly, WILLIAM McMILLAN.

I will vouch for personal knowledge for the truthfulness of the above certificate.
