SPRING & SUMMER CATALOGUE 12

MONTGOMERY ROSS & Co.
OPERATING THE
NATIONAL CLOAK & COSTUME Co.
MONTREAL CANADA

This is the first catalogue issued by the combined houses of Montgomery, Ross & Co., and the National Cloak and Costume Co. These two well-known firms have lately joined forces and in future will be known as

"MONTGOMERY, ROSS & CO., AND THE NATIONAL CLOAK & COSTUME CO., AMALGAMATED."

The object of this amalgamation is to give the rural population of Canada an opportunity to deal with an exclusive Mail Order House, giving them equal or better satisfaction than they could get if they were personally buying their goods over the counters of the largest and most exclusive stores of the metropolis.

We want to send a Free Copy to every person in Canada — man or woman — who is interested in procuring the newest and highest class goods, at the lowest prices. We handle everything you require for personal or home use, and our facilities for buying are such that no smaller firms could possibly offer you the same quality at less than 25% higher than the prices we ask.

This catalogue contains values impossible to procure at any ordinary store.

Every article is illustrated or described exactly as it is. You can see at a glance just what you want, and if our instructions are carefully followed, be sure of getting it.

You don't risk one cent in dealing with us.

Every article described in this catalogue is sent you under the distinct understanding that **if you are not absolutely satisfied with your purchase, your money will be refunded.**

Besides, we pay all return charges on the goods.

We have spent a great deal of money in getting up this book, and expect to be about swamped with requests for it.

If you want one, don't delay in sending in your name. The first edition is already in the printer's hands, and will be ready for mailing shortly.

Send your name and address on a postcard, and send it to-day, to

Frequent importations of the rugged sound kind of Percheron stallions and mares make Rosedale Farm one of the places you should visit before buying. R. W. Bradshaw personally selected the present shipment.
