MEDICINE COMPANY, London, On'

Born at Wicklow Jan. 23rd, 1880, he was only twenty-eight years of age January last. Before the age of twenty he graduated from the commercial de-Branch, Mich., and from there to Colorado, where he spent some time in mining. From Colorado he went to Butte, Mont., and returned to Wicklow

He then worked on the G. T. P. survey before leaving for New York in keeper in the office of "Estey Wire Works." Here he remained until stricken, last autumn, with the illness which proved fatal. He returned to Wicklow in November last and although given the most loving care and skilful medical aid the disease was too deeply seated to be thrown off.

While in New York he united with the Baptist Temple, of which church was a valued member, being especially helpful in the choir. His musical ability was of no mean order. He was a splendid cornetist beside an excellent singer. During his illness he showed a true Christian spirit of patience and cheer-

fulness. Those who visited him received help from his bright cheery words. The funeral on Tuesday, Sept. 8th. was one of the largest ever seen in this place. The Carleton Cadet Band was present and furnished excellent selections. The sermon from John 10:10 by Theodore Harlan Estey, youngest son Rev. L. A. Fenwick, B. A., was strik-

tery. This is the first break in the famyoung man, possessing hosts of friends the assurance that he is "Safe in the VOL.
