DR. HALSEY'S
GUM-COATED
FOREST PILLS.

(A Scientific Discovery of the present century.)

These Pills are prepared from the vegetable productions of the Forest, which grow in the greatest abundance in the northern portion of the American Continent. They are warranted the highest Medical Triumph of the present century. Almost every disease to which the human frame is subject, originates in a disordered condition of the Stomach and Bowels, resulting from indigestion, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is troubled with one or more of these complaints, which, if neglected, or left to cure themselves, often result in some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills is sufficient to keep a whole family from the distressing attacks and sickness from six months to a year. A single dose, from 1 to 3, of these mild and excellent Pills for a child, from 3 to 6 for an adult, and from 5 to 6 for a grown person, will free the stomach and bowels from all morbid matter, and restore energy of body and mind, by carrying off and preventing all the elements of disease existing and generating in the stomach, thereby superseding other medicines.

SALTS AND CASTOR OIL.

No nauseous medicine to be taken in place of Castor Oil. These Pills are of so mild a character, that persons may take them without any change in their habits, diet, or application to business. They operate on the bowels each day without any pain or inconvenience, and in addition as before. Dr. Halsey's Pills are a certain remedy for all diseases arising from a disordered state of the liver, stomach, and bowels, and from a vitiated condition of the blood. They never gripe or purge violently, but carry off the morbid matter from the stomach and bowels, thereby cleansing and renewing the blood, thereby destroying the seeds of disease. The Forest Pills do not weaken, but give strength to the constitution in both body and mind. They neither cause griping nor any inconveniences whatever, and the patient is better able to attend to business while under their influence than before taking them. They are sold in quantities, yet powerful in effect.

The great success that these Pills have done for the past year, has induced numerous counterfeits to be commenced, and put forth to the public. In consequence of this, the proprietor is almost every day disturbed by persons who have purchased the worthless trash, and who come to him for a remedy for their own folly. Let all beware of counterfeits, as they are generally destructive to health, and in many instances cause the untimely grave of their unfortunate victims. Dr. Halsey's Pills have been introduced into every part of the world in favor of their merits, and have received the highest encomiums from all who have used them.

The proprietor has received numerous letters from individuals of undoubted character, testifying to the wonderful curative powers of these Pills, in the following and other diseases, viz.:—Liver Complaint, Dyspepsia, Jaundice, Fever and Ague, and Fever, to the last stage of the disease, when the system was reduced to a mere skeleton, and every one around considered the case hopeless, some having two or three physicians in attendance at the time having given up all hopes of recovery, after using from one to four boxes of these Pills, were restored to perfect health, and are now living and enjoying good health. They never fail in bringing away much black and foul matter. Out of the following lot we have selected a few of them, and they both received without any more medicine. Some time these I have already kept these Pills at hand, and to all cases of sickness in my family I have used them with the most beneficial results.
