### PUSHING FOR RAILWAYS

ing After the Interests of His Constituents-Farmers Hauling Wheat 70 Miles

A. E. Whitmore, M.L.A., returned Weyburn. While at Weyburn the ex- been in constant direct con The member suggested interviewing the C.P.R. authorities in order to bring pressure to bear on them to extend their line farther west through that south country. Petitions are being circulated and as soon as these are signed Mr. Whitmore will head a deputation to go to Winnipeg to interview Mr. Whyte. So far the farmers have not complained very much, but they have gone on raising wheat and in some states of the government was by far the largest customer and should have had the lowest price. Sales ran up into tens of thousands at these profits. Contractors for repairing government ships do not deny making 50 per specific per supplied by the farther was full regardless of price. Dealers admit that they charged up to 25 per cent. above retail prices for supplies to the government. In most cases, the government was by far the largest customer and should have had the lowest price. Sales ran up into tens of thousands at these profits. Contractors for repairing government ships do not deny making 50 per specific prices. cases are hauling it 70 miles to market. Really the condition of the ran up to over \$50,000 grain growers in the southern part of the Milestone district are worse talked of Goose Lake district. It has come to such a stage now, howrailway facilities if they are to continue raising grain. There is a large area of good farming country and splendid wheat is grown.

Mr. Whitmore says that if they cannot secure relief from the C.P.R. authorities in Winnipeg, that he is prepared to go with a delegation to Montreal in an endeavor to secure relief for these farmers. He is not vaiting for five years before making a move to benefit his constituents, nor yet is he attempting to fulfill any election promises, but is just doing what he considers is his duty

having an energetic M. L. A. who
