WHAT'S IN A NAME?

Springfield, Mo., July 3.—Twelve
thousand dollars which the late Louise
Holmes, formerly a Wall street brok-
er, willed to Luntia H. Holmes, of
Springfield, provided he changed his

name to Frisbie, will go instead to
Yassar College. Louise Frisbie was
Holmes' aunt. In her will, filed in
New York a year ago, Holmes was
given until to-day to decide whether
he would change his name to that of
the donor. He announced that he
would retain the name of Holmes.

SOME FISHING

A Record Catch Which Should Prove of Interest to the Commissioners.

To-day's London Free Press pub-
lishes the following from the New
York Sunday Telegraph:—
The middle of this week, "Dolly
Varden" having closed at the Herald
Square Theatre, Mr. F. C. Whitney,
the proprietor and manager of that
organization, goes to Detroit, where
he will join his father, Mr. C. J.
Whitney, and they will go to Long
Point, Canada, for two weeks' fishing.
Both the Messrs. Whitney are fam-
ous anglers, although the younger is
considered one of the most expert men
with a hook and line in either the
United States or Canada.

Last season Mr. Whitney had the
best luck he has ever had in Cana-
dian waters, and to forestall any
criticism that his skeptical friends
might make as to his piscatorial
conquests he took the precaution to
get from a water expert who owned the
water a certified statement as to the
catch, which is as follows:—

Isaac Walton Club.
Long Point, Ont., July 18, 1901.
To Whom it May Concern:—
This is to certify that Mr. F. C.
Whitney, of New York, caught with
a single hook and line, between the
hours of 5 a. m. and 7 p. m., on
Wednesday, July 17, 1901, off Long
Point, 132 (one hundred and thirty-
two) black bass, the largest of which
weighed 4 1/2 (four and a-half) pounds
and the smallest 2 1/8 (two and one-
eighth) pounds. The aggregate weight
of Mr. Whitney's catch of bass for the
day, was 47 1/4 (four hundred and
seventeen and one-quarter) pounds.
I saw Mr. Whitney catch every one
of the fish, and then counted and
weighed them myself, and hereby at-
test that it is the largest individual
catch for the present season in one
day out of the waters around Long
Point.

LOUIE BERRAC,
Steward Isaac Walton Club.
Mr. Whitney has a wager that he
will exceed this record during his
forthcoming visit to Long Point, and
his father is to be the referee.

To which the following might be ap-
ended from the game and fishery
laws:—
"No more than one dozen bass may
be caught or taken by any tourist or
summer visitor upon any one day. The
word 'tourist' or 'summer visitor' in-
cludes all persons who may be tempo-
rarily visiting, boarding or lodging in
any locality at a distance of over five
miles from their usual place of resi-
dence."

WILL COLLECT

The Water Commissioners Will Charge Delinquent Accounts to Property Interested.

The regular monthly meeting of the
Water Commissioners was held last
evening with Chairman Bray, Mayor
Sulman, W. D. Sheldon, Supt. Jones
and Secretary Weir present.

A communication from R. Victor
Carter was read asking for a rebate
on his water rate, as it had been shut
off for a time because of a burst in
the pipe. The secretary was ordered
to settle the matter fairly with Mr.
Carter.

Superintendent Jones' estimates for
a main on Taylor avenue for Chatham
township was \$1343.14.

The request for an extension on
Cross street to Raleigh street granted,
also an extension on Emma street, to
cost \$56.27, was granted.

The C. P. R. contract which had
expired was renewed at an increase of
\$25.

It was moved by Mayor Sulman, sec-
onded by W. D. Sheldon, that all water
rates of over a year's standing be
handed to the city treasurer to be
collected, the money to be turned over
to the Water Works Board, as collect-
ed.—Carried.

An extension of 60 feet for a water
service for Dr. Hall was granted.

Secretary Weir asked if there was
any chance of closing the office at
one o'clock during July. The request
was granted. Mr. Weir has not had
any holidays in 12 years.

The following accounts were passed:
Parker Bros., \$74.45.
Doherty Mfg. Co., \$74.80.
McColl Bros. & Co., \$16.40.
J. Gilbert & Co., \$1.88.
Garthshore, Thomson P. & F. Co.,

GREAT TEA DRINKERS.

The Maritime Province people use
about six pounds of tea per head, or
say about thirty pounds per year to
an average family. They are also said
to be good judges of tea, and this
must be a strong recommendation for
Red Rose, which is the principal tea
used.

WORLD OF SPORT

CRICKET

ANOTHER DEFEAT.

On account of the soggy condition
of the grounds, play in yesterday's
cricket match between Chatham and
the Gordon McKay's did not start
until about 2.30 in the afternoon.

Jos. Kenny was captain of the
Chatham team for the day. He won
the toss and went to bat. It was
decidedly a bowler's wicket as may
be judged from both scores.

Sam Mercer and E. J. Dowdsley went
to bat first and Sam scored the first
run of the game on a pretty cut.
They had been in about five minutes
and were getting almost settled when
Sam's wicket went down before one
of Bunch's bowlers. Koffage followed
the first wicket and was bowled by
Wallace for an run.

Dowdsley and Kenny made a short
stay before Dowdsley was stumped by
some quick work on the part of
wicket keeper Turnbull.

Things looked bad now, three of the
best wickets down for six runs.
Richards came next to bat and was
just getting set when he knocked a
ball to W. McMillan at slip; he
fumbled the ball into the air and it
was caught by his brother, who was
playing behind him.

Bunch now proceeded to do the bat-
trick and in three consecutive balls
took three wickets—those of Miller,
Hutchinson and Perrin. For this little
piece of fancy work Mr. Bunch will
receive a hat when he returns to
Toronto. Kenny was caught and
bowled by Wallace.

A. M. Dowdsley and Dr. Tye were
now in and it was up to them to
take the score up to a half decent
figure, and before Dowdsley's wicket
fell to Bunch they had made 17 runs,
more than all the rest had made.

The Toronto men now went to bat.
Edwards and Percy Seon going in
first. The second ball Aitken bowled
took Seon's wicket. J. McMillan fol-
lowed the first wicket and was bowled
the first ball. Things looked, for a
minute, like a shut out, but Edwards
and Bunch held together well, taking
the score up to 17 before

Edwards was bowled by Aitken. Tur-
nbull and Bunch carried the score up
to 29 by pretty hitting, when F. Dow-
dsley pulled down an almost impossi-
ble fly off Turnbull's bat. Phil. Seon
was next to bat and he and Bunch
made quite a stand before Bunch
was caught by Hutchinson.

Wallace and W. McMillan went
down in two consecutive balls by
Aitken. Miller went in to bowl in
place of Kenny, but was unable to
locate the wickets. Kenny replaced
him again and took his only wicket,
that of Strathly.

Allshire was bowled by Aitken and
Craig was run out, retiring the side.
Seon carried his bat, playing a pretty
innings for 28 runs.

The score was as follows:

THE YUKON TRADE.

Toronto, July 3.—The Canadian Man-
ufacturers' Association to-day decided
to send a special commissioner to the
Yukon District, to report upon the
trade conditions there, and arrange
that as far as possible Canadian
manufacturers should be in a position
to place their goods on that market.

S. M. Wyckoff, of this city, will be
the commissioner, and will leave on
July 14. On the 5th he will be at the
association's offices in Montreal to
meet manufacturers.

Meeting adjourned.

London, July 3.—Since he left Par-
liament says a telegram from Dub-
lin to the Times, Michael Davitt has
become a copious and violent letter
writer in the Nationalist press. Yes-
terday he bitterly attacked the ser-
vice in London last Saturday at
which the loyalty of English Catho-
lics to the throne and the person of
the sovereign was expressed.

Talk About Wheels

This is the time when the new wheels are
creating a great deal of talk. No enthu-
siast has better foundation for claims for the
excellence of his favorite than those who
talk of the

"Hyslop"

It's a wheel made for service and easy rid-
ing. The price is lower than first-class
wheels have sold for in the past.
