KIDNEY PILL5

This question is confronting many people who are occapying old farms. To arreat old trees from their downward career und restore them to new vigor and fruitfulness would indeed seem impossible. Nevertheless, just this has been done. Many orchards go to decay prematurely. This may result from many or a combination of causes. Trees that have borne large crops of fruit year after year are first to fail it not abundantly supplied with the plant food used in the production of crops, while those treat that have little but leaves continue to grow and appear healthy and vigorous. that have little but leaves continue to grow and appear healthy and vigorous. The first old orchards were not properly appreciated and received but little care, hence year after year destructive insects have multiplied and fungi and insects affect the entire orchard. The soil, by continued draft upon the particular sub-stances required by the trees, has become exhausted. Thus universal wreck and ruin appears on every hand. If such an exchand, abouth fall into our hand, the rchard should fall into our hands, th

PAINE'S CELERY COMPOUND CURES THIS PREVALENT AND TERRIBLE TROUBLE.

The San Francisco Examiner lately published setters on woman suffrage with great pleasure I beg to inform the governor of Colorado and the you of the good I have received from the governor of Colorado and the ditors of leading papers, Governor anamber of years I have been in very poor health owing to various causes, and lately I was advised to try your medicine. I used three bottles, and have received a world of good. My severe headsches are completely banished, and the heart disease from which I suffered for thirty years, has almost disappeared, and altogether I am vastly improved. I am fully convinced that Pane's Celery Compound is all that it is recommended to be."
