DURING THE JANUARY CLEARANCE SALE WE OFFER ALL
LINES OF LINENS AT A SWEEPING REDUCTION OF 20 PER CENT.

And all lines of Cottons at the big reduction of 10 PER CENT.

We say the big reduction of 10 per cent—which at first thought may not seem a very deep cut on Cottons, but when we tell you Cottons have advanced since September 1st and are still advancing in price you will readily appreciate what a discount such as the above means on our present prices which are really below the market, and the discounts here as well as all other reduced prices are ABSOLUTELY GENUINE—Therefore we advise you to take advantage of this opportune saving on sheetings, pillow cottons and all other lines of household cottons, as prices will certainly be higher this coming season.
