Make a habit of looking over the classified pages of The Times "between whiles." You will find business chances for husband, son or brother that they might never hear of otherwise.

Opportunity to better his position or to enter a business for which he is better qualified. Chances to sell his boat-fishing tackle-camping outfit-or a chance to buy at a real bargain. Cut out these little ads, save them for the men folk when they come home in the evening. They will appreciate your thoughtfulness-and you will find many ways whereby they can save or make dollars.

It's one of the most interesting parts of the paper, too.

There's sure to be something new in every issue. Look to-day.
