Improvement of
HAZARD'S GAZETTE.
TWICE A WEEK! IMPORTANT TO
TOWN AND COUNTRY SUBSCRIBERS.

THE management of the Newspaper which
for the last 20 years, has been successfully
conducted by J. D. HAZARD, Esq., is now
transferred to the Subscriber, who will assume all the
responsibilities thereof after the publication of
the present number.

To this end, he has, at a considerable outlay,
purchased the Press, and on his premises,
made the alterations and additions which were
required for its proper erection. About the
beginning of February, he expects to have it in
perfect working order; and—that being
accomplished—he will, afterwards, issue HAZARD'S
GAZETTE twice a week, of the same size as
that in which it is at present published, and, to
Subscribers, at the same price. The advantages
which, from this LIBERAL ARRANGEMENT, will accrue
to Subscribers and Advertisers, are so
apparent, that they require no comment, and a
due appreciation of it, by the public, will, it is
hoped, appear in the increased patronage
bestowed upon the Paper.

By copious extracts from ENGLISH PAPERS; by
approved and well-written TALKS; by articles on
AGRICULTURE and GARDENING, so timed as to have
direct relation to the immediate objects of the
farmer's skill and labor; by SOBER and RELIGIOUS
matter, free from sectarian bias; and by comprehensive
notices of Social and Political Reforms, now happily
in progress amongst all the
civilized nations of the earth, there will
always be manifest in the management of
HAZARD'S GAZETTE, an earnest desire to provide
valuable and acceptable instruction and entertainment
for all classes amongst its readers.

And, further,—that the patrons of HAZARD'S
GAZETTE may be duly apprised of all PUBLIC
NOTICES proceeding from the Government,—they
will regularly appear in it,—gratuitously
published—under one general head.

By means of the ELECTRIC TELEGRAPH, the Subscriber
has also made arrangements with CORRESPONDENTS
in Halifax, St. John, and Boston.
COMMUNICATIONS directly bearing on the general
interests and well-being of the community, will
always be thankfully received.

Never Failing Remedy!
A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER
TEN YEARS SUFFERING.

DEAR SIR.—I am enabled to furnish you with
an extraordinary cure effected by your invaluable
Ointment and Pills which has astonished every person
acquainted with the sufferer. About 10 years
ago, Mr. W. Cummins, of Salisbury Street, in this
town, was thrown from his horse, whereby he received
very serious injuries; he had the best medical
advice at the time, and was afterwards attended by
different infirmaries, yet he grew worse, and at length
a malignant rumour settled in his hip, which so
completely crippled him, that he could not move
without crutches for nearly 10 years; recently he
began to use your Ointment and Pills, which have
now healed the wound, strengthened his limb, and enabled
him to dispense with his crutches, so that he can
walk with the greatest ease, and with renewed
vigor. (Signed) J. THOMPSON.
