Cooper's New Buggy FOR 1897 IS A BEAUTY!

It is three inches lower than ever. Particular pains taken with the painting. Wheels are best quality and have been well seasoned. Can give you SOLID BACK SEAT or open back. Both are high and comfortable. Tops are made of better material and finished nicer. In fact our buggy for 97 is without doubt the best for the money ever sold in Fredericton.

If you are going to buy a buggy call and see ours before you buy.

A Kingston Merchant

TELLS OF HIS RELEASE FROM THE PAINS OF RHEUMATISM.

It Had Afflicted Him for Upwards of Ten Years and Many Remedies Were Tried in Vain—Dr. Williams' Pink Pills Effectually Released Him.

From the Freeman, Kingston, Ont.

Fifteen years ago Mr. Alexander O'Brien, the popular Princess street tailor, was one of the most athletic young men in Kingston, both as a foot racer and otherwise.

Eleven years ago he commenced business and shortly afterwards was stricken with rheumatism, which cost him much pain, loss of rest, and much of his business.

He states that he tried many doctors and many medicines, all to no avail. Over a year ago a friend advised him to try Dr. Williams' Pink Pills, and though he had but little confidence in them, or advertised medicine of any description, at the urgent re-

quest of his friend, he decided to give the pills a trial, and according to Mr. O'Brien it was a lucky venture.

After the first box had been taken, customers noticed the change and when three boxes had been finished the result was marvellous. His strength had returned, impoverished blood renewed, muscles developed, rheumatism almost disappeared, bearing a slight stiffness in knee joints, which is gradually going, and in the last six months he has done more work in his tailoring establishment than he had accomplished in the previous four years.

A Freeman representative noticing the change in Mr. O'Brien's condition, asked him if he would allow the publication of his good health after such a long siege of illness. Without hesitation he replied:

"Well, I have taken no medicine in the past year other than Dr. Williams' Pink Pills, therefore I attribute my present condition solely to their use. They had such a good effect in driving rheumatism out of my system and building up my shattered constitution, that my wife whose health was not any too good also tried the pills. A few boxes remedied her illness and she, too, is as loud in her praise of them as I am. Many of my customers and friends who witnessed the effect of the pills on my constitution commenced to use them, and they relate the same story as I have told you. I am as well now as ever I was in life."

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapping bearing the full trade mark, Dr. Williams' Pink Pills for Pale People.

Newcastle Creek.

Oct. 18.—The quarterly meeting held at the Lower Newcastle church beginning Oct. 8th was well attended. The clergyman present were, Revs. Mr. McIntyre, Mr. Townsend, Mr. Springer, Mr. Steeves, Mr. Barton and Mr. Paterson.

The quarterly sermon was preached by Rev. Mr. Townsend on Sunday morning, and sermons were delivered as follows: on Friday evening, Rev. W. E. McIntyre; on Sunday afternoon, Rev. Mr. Paterson; on Sunday evening, Rev. C. N. Barton.

Mrs. Wm. Elliot, of Newcastle Creek, fell and dislocated her arm. Dr. Brundage was called and under his skillful treatment, is now recovering.

Miss Evelyn J. Cox, the popular teacher of Newcastle Creek, spent part of last week in Chipman.

We hear that Mr. F. W. Sayer intends building a steam coal barge this winter.

If some enterprising agent for double seated boggies would come to Newcastle, we feel sure he would do a rushing business, as the common mode of travelling seems to be four in a buggy.

Mrs. Bailey, of Bellisle, is at Newcastle visiting her sister, Mrs. R. McMann.

Mrs. Capt. Dixon and Mrs. Andrew Tower, of Young's Cove, are the guests of Mrs. Elliot.

Mrs. H. McLean, of Cumberland Bay, is visiting relatives in this place.

Miss Dora Farnley, of Fredericton, is spending her vacation at her old home at Newcastle.

Two Agonizing Diseases.

Quickly Banished by Paine's Celery Compound.

Two Thankful Letters that Should Be Read by Suffering Men and Women.

For the effectual banishment of rheumatism, sciatica and neuralgia, Paine's Celery Compound is without doubt the best medicine that human science has ever produced. This marvellous remedy devised by Professor Edward Phelps, M. D., one of the ablest physicians that ever lived, has won the hearty praise of millions of people for the wondrous cures it has wrought in all lands. It is only a medicine with such a record of cures that can attain a world-wide reputation. It has saved men, women and children, many of whom had been given up by the doctors. It does its work quickly and well; it eradicates every trace of disease; it builds up, fortifies and makes active every morbid fibre, which have been crippled and deformed by rheumatism, and drives away the terrors of neuralgia.

To-day the ablest doctors are freely prescribing Paine's Celery Compound for tortured rheumatic and neuralgic people. The thankful letters received each year from the cured in every section of Canada would, if published in book form, make a large and interesting volume.

The following letters will surely inspire all rheumatic and neuralgic sufferers with a new and lively hope of a better and happier life. Mrs. F. McMann, of Thorold, Ont., says:

"I think it my duty to let you know what Paine's Celery Compound has done for my husband. For two years he suffered very much with rheumatism in the back, and became so bad that he could not bend, stoop, or sit in a chair at table, and I was obliged to take his meals to him while he lay in bed. He was treated by various physicians, but received no benefit until he used Paine's Celery Compound. The first bottle gave him relief, and after he had used six bottles he was quite free from the rheumatism. He was troubled with piles for fourteen years and found great relief from the Compound. He says he feels like a new man just now. We think there is no medicine like Paine's Celery Compound."

Mrs. A. Acheson, of Montreal, says:

"Two years ago I suffered intensely from neuralgia in the head, face and shoulders. I was in a terrible condition, and often so tortured that I could not rest or sleep. I became very weak and feeble, had giddy and faint spells, and often could not attempt to go out on the street. My appetite became poor and digestion very weak. At night, while in bed, I often had oppressive and smothering feelings; my whole nervous system was run down and very weak.

"I had been under the care of a medical man and used various medicines, but no relief came to me from these sources. I fortunately heard of your Paine's Celery Compound; I decided to give it a trial, and I bless the day I commenced with it. I used it for several months, and now feel as well as I ever did. All my pains have been banished, I sleep and eat well, and find myself a new woman. I heartily recommend Paine's Celery Compound to all who are in need of an honest and true curing medicine."
