On sale at all Druggists and Stores.

This is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Bowing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body.

The result is weakness, headaches, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, sallow complexion, pimples, skin disease, and often times serious illness.

Ordinary laxatives, purges and cathartics—salts, oils, calomel and the like—may relieve for a few hours, but real, lasting benefit can only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs.

Get a 25c box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the fullest benefit. When you get straightened out and feel just right again you need not take medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well. Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

Woods Phone Line Construction

Col. T. G. Loggie Deputy Minister of Lands and Mines announces that the construction of the telephone line up the Nepisiquit River from Bathurst which has been delayed by the non-arrival of the wire until a few days ago, has now been commenced and several miles of line has already been strung. This line will penetrate about 70 miles from Bathurst into the very centre of the province and is part of the policy of constructing woods telephone lines and lookouts in the interest of better fire-protection in New Brunswick. The construction is being carried out by the Bathurst Lumber Company according to a standard agreed on and the cost is equally divided between the Forest Service and the Bathurst Lumber Company. The actual work is under the supervision of Mr. Mathias Cloutier, of St. Eugene, Que., who has had extensive experience in the construction of tree telephone lines, and who has been loaned to New Brunswick for this purpose. No 3 galvanized wire is being used with 2500 ohm 5 bar telephones, which are especially suited for this work. Mr. H. C. Kinghorn of the Forest Service and Mr. D. R. Morrison an experienced lineman from St. John, left Tuesday to work on the line a few days to familiarize themselves with the method of construction. They will then start the construction of a 40 mile line in the centre of Northumberland County which is designed to connect with a new lookout to be constructed on Bald Mountain. This is expected to be one of the best lookouts in the Province a very extensive area being visible from it. It is hoped to finish this line and also a line in Victoria County to connect with a new lookout to be placed on Blue Mountain.

O'Brien, Basswood Ridge. To be Forest Rangers' Assistants—Vincent Holland, Red Bank; Frank Hayes, Nash's Creek; Anthony Tibout, Kedgwick; Wm. Bourreau, Ferguson Manor; Elie LeBlanc, Charlo; Wm. A. Rosengren, Archibald Sett.; Clement Hachey, Bathurst; Leonard I. Landry, Grand Anse; Stanley Vienneau, West Bathurst; O. T. Kelly, Fredericton; Adalbert Legere, Caraque; Joseph; Edmonds, Gaythorne J. E. McLean, Bartibog Bridge; C. J. Scott, Clifton; John I. Tozer, Lyttleton; Lawrence Carroll, Carroll's Crossing; William Russell, Doaktown; P. M. Harrison, Plaster Rock; E. H. Lewis, Hillsborough.

It is expected that several more men will be required this fall on account of the large number of logging camps being placed in operation.

RATIFIED TREATY EX-CHANGES WILL OCCUR NEXT WEEK

Paris, Oct. 16—The exchange of German peace treaty ratifications, putting the convention into effect, is expected to take place early next week, according to semi-official French sources today.

The British and Italian ratified copies of the treaties were deposited with the peace conferences secretariat yesterday.

It is explained that the delay in the formal exchange of ratifications was caused by the amount of mechanical work necessary in preparing the documents to be issued and to take effect immediately upon the coming into force of the treaty. A staff of clerks is now engaged in the work of drawing up the documents, and it is expected that this task will be completed on Sunday.
