What Will You Put in the Pot?

When you drink tea every cup should be a delicious refreshment—a distinct pleasure. But this demands good tea in the pot. You cannot possibly get satisfactory results from inferior tea.

Now consider the small cost of a cup of King Cole Tea—a mere fraction of a cent. Surprising isn't it? But its secret is in the rich liquoring King Cole blend which yields so generously in the number of cups to the pound. It makes King Cole the truly cheap tea. From whichever point you view it—economy—quality—or the wise combination of both, King Cole Tea claims your preference.

Chilblains & Frost-Bite

As a remedy for those most troublesome of winter skin afflictions, chilblains and "frost-bites," Zam-Buk is speedily effective. It takes out inflammation and reduces swelling in a wonderful way and soothes the fiery tingling irritation.

Where the chilblains are broken and have a raw ulcerated surface, Zam-Buk is doubly valuable because of its great healing power. Its pain-killing efficiency and its fine antiseptic properties place Zam-Buk far above ordinary ointments.

Then did you ever consider the KNOWLEDGE the salesman has of a stove or range while he TALKS to you and you are looking over a range? There is nothing so VOID of SENSE as a person talking RANGE who has not grown up in the business.

When you want a RANGE call and let us REASON a bit with you.
