ROBEREY.—Some time during Wednesday night and Thurday morning last, the store of Mr. R. B. Scott was entered by one or burglars. Augur holes were made around one of the panels of the door, leading to the store, and the panel removed, thus giving access to the interior. The cash drawer was rified, and some \$2 or \$3\$ in silver appropriated. The thief or thieves also took a carpet bay hanging up in the store, filled it with small wares, but getting alarmed at something departed hurriedly leaving the carpet bay behind. Nothing else was taken. The theft was most probably the work of some hard up transport.

MUNICIPAL.—Mr. John Kernighan has been brought out to oppose Mr. Wm Young for the Reeveship. We regret that through Mr. Young's stand with regard to the Dunkin Bill at the Council, we feel it our duty to oppose his re-section. Mr. Kernighan is very popular, has had much experience in annicipal matters and is well fitted for the position, and we doubt not will be victoringly supported at the pells. Mr W J. Harris was mentioned in this connection, but not having the time to devote to the office, objected to standing for it. He, however, will oe a candidate for connection. Mr. John Buchanan has no opposition as yet for the Deputy Reeveship, and it is expected that he willgo in by sechanation, as his popularity frightens all opposition.
