ROBIN HOOD FLOUR

IS DIFFERENT

IT HAS ROUSED THE CURIOSITY OF THE WHOLE WEST

"Do you really think" one housewife will say to another "that this new flour can be better than the flour we are using?" Madam, there is no doubt about it. But there is just one way you can be convinced. You must use it yourself.

Our claims will not satisfy you, but we back up our claims in such a way that you will lose nothing by trying Robin Hood. Your grocer will tell you about our guarantee which gives you back your money if you are not satisfied.

PLASMON COCOA

PLASMON COCOA differs from ordinary Cocoa, inasmuch as it contains 60 per cent. of PLASMON mixed with 40 per cent. of the best Cocoa, and is therefore 10 times more nutritious than any other Cocoa on the market.

The "Lancet" says:—"Plasmon increases the food value of Cocoa enormously. Plasmon Cocoa contains all the constituents able to support life. It is mildly stimulating, whilst highly nourishing."

The "Hospital" says:—"Plasmon Cocoa is an ideal Food, as it contains the best of all nutrients, namely, Milk Protein, Plasmon, and is a proper diet if we wish our children to be strong and healthy."

PLASMON COCOA may be obtained at the following stores in the city: Messrs. Ayre & Sons, T. J. Edens, James Stott, C. P. Egan and P. J. Shea.
