of exquisite designs and beautiful
Artistic Workmanship which glen-
ders the eye of all who behold
them. The most appropriate
Xmas Present you can give to your
friends.

Special Prices for Christmas

at
Tooton's Studios,
400 Water St. West, and 310
Central, opposite Bishop's
n 30th St. Sons, Water St.

Pay only a trifle more for
The Safe-Cabinet

Then you will have a cabinet
that does all a wooden
file can do plus this most im-
portant thing—protects your
papers from fire, theft, dust
and moisture. Measured by
price alone, anyone can af-
ford to buy *The Safe-Cabi-
net*. Measured by value, no
one can afford to be with-
out it.

FRED. V. CHESMAN, Agt.

Supposed To be Lost.

The Norwegian schr. Kudes Naes,
Capt. Larsen, which is well known in
this port, left Labrador for Gibraltar
for orders, laden on September
30th, and since has not been heard of.
In shipping circles it is now pretty
well conceded that she has gone to
bottom with her six men of a crew.
The vessel was a topsail schooner.
Capt. Larsen was well known in St.
John's. Lloyd's are now charging re-
insurance on her at the rate of 90
guineas per cent.

Hr. Grace Notes.

The many friends in this town of
Mr. J. Nunn are sorry to hear of the
accident that befell him a few days
ago. It is hoped he will soon be
about again.

We are sorry to report that one of
our Harbor Grace boys, Mr. Joseph
Garland, son of Mr. Joseph Garland,
sr., while working at Sydney some
little time ago, met with an accident,
breaking a leg. He is now in Hos-
pital and expects to be out about the
New Year. No particulars of the ac-
cident are at hand. Mr. Garland was
employed as brakeman on the coal
cars in the company's yard there.

Mr. John Gordon, son of Mr. and
Mrs. Samuel Gordon, of Bear's Cove,
who has been employed for some
time by the wholesale grocery and
provision firm of John Tobin & Co.,
of Halifax, is, we are glad to say, do-
ing well. He has lately been appoint-
ed to the firm's travelling staff. Jack
has numerous friends here who will
be pleased to hear from him and will
wish him success.

A baby girl was born to Mr. and
Mrs. T. P. Hogan on Saturday last.

"People living in the neighborhood
of Noad Street complain of the very
little force of water at the tank there.
"If the weather was a little more
summerlike," said one person, "we
would not grumble, as we could take
a novel with us and read while we
wait." This should be easily remedied.

We are glad to see Captain Hillier
of the Salvation Army out again af-
ter his recent attack of scarlet fever.

News was received in town last
week that a young daughter had ar-
rived to our former townfolk, Mr.
and Mrs. A. G. Munn, now of Sum-
merlands, British Columbia. Congra-
tulations!

Master Howard Trappnell, son of
Mr. John Trappnell, who is connect-
ed with the A. A. Telegraph Co.'s staff
at Heart's Content, is now in town
spending a vacation with his father
and other friends.

CORRESPONDENT.
Harbor Grace, Dec. 6, 1911.

CURED HIS WIFE SO HE TRIED THEM

Leon Sergeant Found New Health in
Dodd's Kidney Pills.

Suffered with his kidneys and was
very feeble, but now he is feeling
fine.

Saint Walburg, Sask., Dec. 6, (Spe-
cial).—One healthy, happy family in
this neighborhood are always ready
to speak a good word for Dodd's Kid-
ney Pills. They are Mr. and Mrs.
Leon Sergeant, and here is the reason
in Mr. Sergeant's own words:

"I suffered with my kidneys and I
was very feeble. My urine was thick
and had a brick-dust sediment. As
Dodd's Kidney Pills had already cured
my wife I bought three boxes. Now
my urine is normal and I feel fine."
It is statements such as these that
give Dodd's Kidney Pills their popu-
larity. They are no cure-all. They
simply cure diseased kidneys and the
ills that come from diseased kidneys.
But no matter what neighborhood you
visit you find some man or woman
who has been sick and in pain and
has been cured by Dodd's Kidney
Pills. For a score of years this work
has been going on and to-day in every
part of Canada Dodd's Kidney Pills
are known as the one cure for Kidney
Disease, Urinary Troubles, Backache,
Rheumatism, Dropsy, Diabetes and
Bright's Disease.

Ice on St. Lawrence.

The U.S. Rosalind reports that when
she was coming down the St. Law-
rence from Montreal, considerable ice
had formed for a long distance below
Quebec on the river and there was
also a deal of floating ice about. There
were 16 inches of snow on the ground
at Quebec. The steamers that were
to leave Montreal after the Rosalind
were the Ben Dhi, Bray Head and
Bengore Head, and these were the
last to come down the river for the
season. Each of them was bound for
England. The work of taking up the
buoys on the river began on Novem-
ber 27th. Ice was making fast on
the St. Lawrence as the Rosalind
came down.
