Be Sensible With That Corn

Don't pare it. That merely re- days the whole corn, root and all moves the top layers And that form of home surgery is dangerous. A slip of the blade means infection. And that means blood poison, sometimes.

A chemist has discovered a way to end corns. This discovery is embedied in our B & B war—the heart of a Blue-jay plaster. Apply this little plaster and the already fifty pain ends at once. Then this B & B corns. Let wax gently loosens the corn. In two with yours.
