"Blue Puttee"

HAD ATTRACTIVE OPENING EAS-

The new parlours of the "Blue Puttee" were opened to the public last evening, and the pleasure expressed by the many patrons was indication of their success. In addition to the wo rooms and soda water fountains formerly in use, the management has dded two large apartments in the adjacant building, and here are installed another Fountain with an excellently equipped serving-room; white marbleite tables, etc. All the furniture has not arrived from the United States, but the appointments that are installed in the new premises are undoubtedly health-preserving in every respect. The "Blue Puttee" Ice-Cream Parlours follow closely the trail of their title; they have made a trail of their title; they have made a reputation and intend living up to the name. Citizens who appreciate good ice-cream and novelties served in hygienic surroundings and in a purely up-to-date style would do well to call at the new parlours.
