Don't wait until Spring opens, because then you may have to wait for some considerable time before we can fill your order. S. A. Moser Writes of Dr. F. G. Kinsman's Heart Tablets, Dyspepsia Powders.

I can recommend your Heart Tablets with safety to anyone suffering from heart disease, for I have never found a medicine which would give such relief or effect such cures. I had a trouble which three of the best physicians in this country said was heart disease and your Tablets cured it. My father had heart disease for eighteen years and could find nothing to do him good, but after using three boxes of your Tablets has not had a single symptom of the trouble. You are at liberty to publish this letter if desired, for I can stand by these statements anywhere.

FALSE ECONOMY.

It is often remarked by customers, "I must try and make my old clothes do for the winter." Perhaps the winter may mean very much longer. To protect your body against our cold winds you want warm woollens. An investment in a good Suit or Overcoat may save you months of illness. Durable material, cut and moulded to your figure by expert workmanship in the garment at MAUNDER'S. Samples and self-measuring cards sent to your address.
