New York, April 8.-Close-With one or two exceptions, the stock market today was reactionary after the early trading, and some of the more active issues before the end of the first hour had sold off very easily. The trading was in fair volume, but the market which held up sharply on heavy trading. The buying of this stock was dozen for smaller quantities.

Vegetables and Roots — Potatoes the stock. The mystery surrounding sales. The Steel stocks were not emand at 40c to 50c per dozen. Spin-tively good. Peoples' Gas broke still \$10,000,000, cash decreased \$2,600,000, and surplus reserves increased \$17.950. The alive 12c per lb for gobblers and 13c for hens. One gobbler sold at \$3 64, the weight being 28 lbs at 13c.

Dressed Hogs—About 60 carcases

Surpus reserves increased \$1,950. The bank statement had no material effect on the stock market. Lendon was not a factor of importance. The Japanese bends were allotted this merning, and \$8 per ton for No. 1 timothy and \$7 for
