Women Arrested On Shop- Hotelkeeper May Sell Cigar On Sunday If Smoked On Premises.

CASE TO BE APPEALED Arthur Franklin, 64 East 128th street, at the Carling street lock-up, because when he went out walking on Sunday he took a light-fingered lady friend with

Court Declares Upper Canada Statutes Apply in Ontario.

Franklin said that he followed car-nivals operating games. On Sunday he Sunday is illegal, Deputy Magistrate P. H. Bartlett decided in police court this morning when he gave out his decision in a test case. Standard hotels may sell their guests a cigar if the eigar is smoked on the premises. The law states that any goods purchased must be consumed on the premises Therefore, if a guest purchased a meal and had cigarettes with it, the court could not see how a man could smoke a whole package of cigarettes on the remises at one sitting.

One week ago police stopped Victo Medland, who had just come out of the Tecumseh House with a fresh package of cigarettes. He admitted that he had purchased them there from the girl who was operating a cigar stand for the hotel. She was fined \$10 and costs,

still applies in Ontario, it was found. This provides that only work of necessity or charity can be done on Sunday and that this and the operation of means of travel on land and water, which are absolutely necessary, are the only works that can be done. The question of the statutes being in force The Cap Thought to Belong to Desperadoes today was settled previously in the Ontario court of appeal, the court declared.

When the hotel proprietor sells topacco to his guests for use on the prem ses, he is acting as a hotel proprietor, but when he sets up a collateral bus ness, such as a cigarstand, he is regarded as a merchant or tradesman, was part of the decision handed down. It was such that had brought the Tecum-seh House within the terms of the

Bigger Fair Next Year.

The Fair office was practically deserted. On one table that held stacks of prize lists, was a high pile of hats with "Police" traced out in faded gold on the front. They will not be needed again until September, 1922.
