Pastor of Talbot Street Baptist Decides To Accept

The resignation of Dr. Bowley Green as pastor of Talbot Street church will come as a surprise, and will occasion widespread regret in London. The woman was driving east on Queen's avenue and the man coming south on Wellington street, when they met at the crossing. Both turned to avoid a collision, but their cars hit sideways. The effort made by the woman was such that her car climbed the curb and went down the sidewalk on Wellington street, beclimbed the curb and went down the sidewalk on Wellington street, beside the library. The other car also climbed the curb, but proceeded down Queen's avenue. Before it could be stopped it struck a steel boulevard rail, bent it, and broke a small shade tree on the corner
