Strong Majority Puts Coalition Party Back in

MINISTERS ELECTED

Hughes Amongst Victors-Labor Leader Is Defeated.

Associated Press Despatch. Melbourne, Australia, Nov. 15.-It was indicated at midnight that the government of Prime Minister Stanley Melbourne Bruce had been returned in the federal general elec-

turned in the federal general elec-tion with a big majority in the house of representatives, and a working majority in the senate.

Figures announced at this hour, gave the government 48 seats out of a total of 75 in the house of repre-sentatives, and 27 to the Labor party sentatives, and 27 to the Labor party This result will give the government a majority of 21 in the new parlia-

ment.
The election passed off quietly The result of the senate voting will be known tomorrow, but the count is not expected to be completed for two

When the commonwealth parlia ment was dissolved, the standing of the parties in the house of represen-tatives was as follows: Labor 29 Nationalists 27, Country party 14 Liberals 4, Independent 1. Total 75.

The present government under
Premier Stanley Melbourne Bruce is a coalition of the Nationalists and Rev. Fr. Chisholm Gives

Ministers Returned,

All the ministers of the government were stated to have been returned and former Premier William Hughes was re-elected in North Sydney. Early reports showed that the government candidates had swept Tasmania, where not a single seat was won by where not a single seat was won by

A feature of the contest in Tasformer senator, by Major-General Sir John Gellibrand in Denison. Sir John had a distinguished record in the great war, and is a newcomer in federal politics. Hon. David John O'Keefe, Labor candidate and had a distinguished record in the great war, and is a newcomer in federal politics. Hon. David O'Keefe in Tasmania, and is an authority on

In many divisions, 90 per cent of the electors polled their votes, and so that the birds of the air come and an immense popular vote went to the government candidates. The chief electoral officer stated tonight that the compulsory voting law, which was not a mere bluff, but that defaulters a mere bluff, but that defaulters to give explan"Why did not God create the world "Why did not God ations at an early date. Defaulters are liable to a fine of £2 sterling under the law.

Addressing a great gathering of his supporters, shortly after midnight, Premier Bruce stated that returns were confirming, with increasing emphasis, the verdict of the people in favor of law and order. The government, he said, would not only increase it majority in the house of representatives, but would secure a very comfortable majority in the

Compulsory Vote Issue.

"The most interesting feature of the elections," said the prime minister, "seems to be that compulsory the soul. re, "seems to be that compulsory voting was not the determining factor which the leaders of the Labor party predicted, but the issue itself was the principal consideration in the elections. This is intensely gratifying, not from a party standpoint, but from the standpoint of Australia. We have completed a great task, but a greater task yet remains, namely, to carry out the government's policy and the people's will."

WATERWORKS SYSTEM

Ministerialists assumed that owing to the heavy polling everywhere in favor of the government candidates for the house of representatives that the government would win a victory the senate. In New South Wales in the senate. In New South waters the heavy voting for the government candidates for the house of representatives was so marked that it is thought certain the New South thought certain the New South Wales senate seats will go to the

government. In Victoria the trend was not se conclusive, though up to the present it had been in favor of the government candidates. Indications in Tasmania were that the government would take four of the six seats. According to advices from Brisbane 50,000 votes had been counted, giving the government a majority of 4,000 on the first preference alone. Returns from Western Australia were in favor of the government can-didates for the second house.

Assisted By Beattie. Dean Tucker was assisted in the prvice by Rev. Col. William Beattie. D. C.M. Fist United church BY POPPY SALE

Sum Exceeds by More Than \$600 Amount Secured Last Year.

"It was a wonderful success," said B. C. McCann, organizer for the committee in charge of poppy day. And figures verified his statement. Setting a new record for the day in London, over \$2,200 was raised, exceeding by some \$600 the amount secured last year. Two major factors contributed to the success of the day-the worthiness of the

cause and the energy and willingness of the workers assisting.

The organization for poppy was most complete and efficient. Early in the morning several hundereds of workers set forth from the commerce The response to the appeal was general, generous and whole-hearted. There were few te fusals to buy from the taggers, and by noon it was difficult to find anyone on the downtown streets was not wearing the hallowed flower. By 3 o'clock in the afternoon every house, store and factory had been visited by the taggers. No possible places where persons to buy poppied might be found were neglected and

the results justified the thoroughness In years past the net proceeds of Poppy Day have been spent on re-lief work, under the direction of the Great War Veterans' association, but this year, indicative of the spirit of amalgamation among all veterans organizations, the G. W. V. A. is sharing the honors with the Tubercular Veterans' association, and half of the net proceeds will go to the latter as-sociation to be distributed among the

soldier patients at Byron sanatorium.
Participating in the list of nearly 300 cavassers were the following league, mothers' clubs, boy scouts, Salvation army and public school boys and girls. Incidentally, volunteers in the latter class numbered well over the 50 mark the number asked for by the committee from the
