

FARMER'S WIFE ALMOST A WRECK

Restored to Health by Lydia E. Pinkham's Vegetable Compound—Her Own Story.

London, Ont.—"I am a farmer's wife and a very busy woman. Last summer I was taken with severe pains in my back so bad that I could not get up or scarcely move without pain, and my periods were painful. My husband called in a doctor and I was under his care for some time, but he did me little or no good. One day a friend of mine told me to try Lydia E. Pinkham's Vegetable Compound as she had been greatly helped by it. I began taking it, and soon got well, and my periods became natural again. In fact I have never felt so well in my life. Lydia E. Pinkham's Vegetable Compound is a medicine many women need. If you think this letter will help other women please publish it."—Mrs. K. C. Young, Farmington, Corner, London, Ontario, Canada.

Women who suffer from those distressing ills peculiar to their sex should not doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

UPPER CHARLO

The school concert which was held in Upper Charlo Hall on the evening of the 21st inst., under the management of our popular teacher, Miss Roy was a decided success.

The programme was very well carried out. A special feature of the entertainment was an interesting drama of three acts "Just for fun". This with a pretty butterfly drill composed of eight little girls, and a number of songs, recitations, dialogues and tableaux, held the attention of the audience during the evening. After a short address by Rev. Fr. Robichaud, the performance closed by singing "It's a long, long way to Tipperary" and "God save the King."

Most of our volunteers returned to St. John on Thursday. Unfortunately the Red Cross Branch did not manage to give the boys caps, mitts, etc., while here, but on Monday of this week parcels containing soldiers comforts were given to those still here, and sent to the ones who left last week.

Just why New Year's Eve skating at the rink should be advertised as a Carnival is a puzzle. Some people, not knowing of the tax management, thought they must go in costume, so as to have a whole evening's skating, think that without costume they would only be allowed to skate a short while.

On going there they found everybody paid a quarter—unless a few children—get in and everybody skated. No privileges were given to those who went to the trouble as well as expense to get up a costume to help make the Carnival a success. Such a thing as a prize was never mentioned. There is certainly no advantage in going to a carnival like the one described, and why pay a quarter for an ordinary evening's skate? The ice was good and so far this season has been good, but why that quarter?

Miss Hall, who has been spending the holiday season in Port Daniel, returned on Saturday.

Miss Gweldolyn Hamilton returned to Montreal on Saturday where she is teaching.
