The Musical Opinion and Music Trade Review, published in 1. Ion, Eng. April 1, 1887, under the heading CANADIAN MUSICAL Entit BITS AT THE COLINDIES EXHIBITION, has the following:

Referring to Piano Fortes of Messrs. Heintzman & Co., Dr. Stainer says as follows: "I much regret that, owing to the late period at which I was called upon to make a report, all the more important instruments exhibited by this firm HAD BEEN SOLD AND REMOVED. But those remaining fully justified their high reputation. An Upright Grand, which I examined was in every respect a fine instrument; the touch was sympathetic and had a good repetition; the tone was full and rich. I also tried a specimen style No. 9, which was equally deserving of unqualified praise." SEND FOR ILLUSTRATED CATALOGUE.
