GRAIN AND PROVISIONS.

Following are to-day's quotations in the New York Stock Exchange, as received by the Toronto Stock Exchange.

Robert Cochrane says to-day:
New York agents to-day:
New York, April 23.—At no time before
opinion of everybody been so unanimous
any subject of Wall-street interest as it is
on the half-day question. Every com-
mission house broker, trader, speculator, outside
even investors wish that the compulsory
day be repeated. Mr. Gould, who is res-
ponsible for the improved state of things, says
he may not be buying M.P. and Q., but
fact remains there is a powerful and myste-
rious element apparently always ready to take
whatever stocks, bulls and bears alike
willing to sell.
