PLAYS THAT ALL SHOULD STUDY The lungs, kidneys and skin, each plays a part of elimination from this system. If the natural force of either is weakened disease follows. To assist nature and preserve health, we need a powerful agent. Breathing is freer, the skin is clearer, the pores are opened, the blood is purified, and the system is strengthened. It is a natural process, and should be so. It is a natural process, and should be so. It is a natural process, and should be so.
