THE DROWNED He left his home at early morn, When all wes stillness round; His eye was bright, his step was firm,

As he strode o'er the ground. None would have thought to've seen him the That he was soon to die, Bot so it was; in one short hour His spirit was on high.

Bortry.

The cold, damp, icy wave; He called for aid once and again,
But there was none could save.

Ah no! the hour of death had come For Gop had willed it so, And he must give his spirit up, And be resigned to go.

It is creditable to New Brunswick that its inhabitants are raising money to succour the families of the levalists who have fallen is the Canadas. Ib.

Eight Canadas, the Eight Canadas, the Warker as faving been concerned in his mur dar, were brought into town on Taesday, from La Tortue by a party of the 71st Regiment—After the full deed, they had fled from their homes and did not return till a few days ago, There are smoong the number a man maned Amenorse Sanguiner, who has a brather in gaot for the same offence, two called Robert, Oh who can tell the many thoughts Which even at that hour, Rushed through his brain and filled his heart, With overwhelming power.
Thoughts of his dear, bear, carthly friends,
Whom he had eyer loved, With changeless love, for that kind heart

With deep affection glowed. And in that !ast, wild dreadful hour, When life was ebbing fast, Oh who will say but Gop was near And gave him hope at last? Hope of that better, brighter, world, Where angels spirits dwell, Where all is holy happiness And bliss, no tongue can tell. ANGE LINE

> VARIETY 'Tis the very spice o' life.

ANECDOTES OF MILITARY SERVICE. Ey Lieut. Col. Cadell, late of the 28th Regiment,

Stricton.—The individual named to be trial of Robinson for the number of Elica Jewett, cleared the prisoner, has commuted strictly day on his passage to Porto Cabolto. It is stated that he was invane at the time, and that me all local strictly and the sea the other day on his passage to Porto Cabolto. It is stated that he was invane at the time, and that me all local strictly and the strictly a We received intelligence of the death of a he was invane at the time, and that in a local interval he said, that since Robinson's trial, interval he said, that it is ight and good, under ordinary circles and good of the had been at the had been at the had were telling the wind of the morder, by social pleasures. A religion, giving dark views of God, and infusing superstitious fear sequence of good conduct, and being an excellent soldier, was promoted to the rank of innocent enjoyment, mustead of aiding so the further wind admitted that he had not been in his store that right.

It was the general belief at the time of the ression or despair.—Dr. Channing.

she was creating. She had a soldier's jacket that finend that I never smart by. For my thrown across her shoulders, and her tutter- friends, I know they cannot be faultlesse; ed straw-bonnet was put on the wrong side and therefore as they shall find me sweet in Why, Bot!—Mrs. B——1, I mean, said in their censure. Either let them abide me

Why, Bet!—Mrs. B—1, I mean, said Lieut. B—, we have been seeking for you everywhere; how is it, on such a day as this, that you are not receiving your husband's brother officers in the parior?

And is that all you're troubling yourself about Johnny? asked Mrs. B—1 of the lieurenant, taking the short pipe from her mouth, then closing one eye, and peeping forth at him most intelligently with the other.

Why of course it is, rejoined the officer: I was anxious to see you do your duty on such an occasion.

Woman's Love - What a gift, or rather with the easy familiarity of friendship; the what a fatal necessity is the temperament with the easy is minarity of friendship, she what a fatal necessity is the temperature. King may make my Jack a gentleman if he which leads to the living out of one's sell, and these, but I'm blessed if neither he nor the Sultan of the Ingees can make Bet a lady! So now Johnny you may trot; you've got has no control? This laculty of descriptions is, I suspect, peculiar to females. It is quite possible that a we man, to whom hopeur and reputation are dearer than life, should risk them a thousand times for the man she loves (particularly if he be her husband.) to save his life and houor. The attachment of a despises the habiliments of her eex, and chooses men's cloths and who since her visits to the prisons in New York, has been incarcerated in Maryland, is again at liberty, being pardoned by the executive.—The Baltimore Sun gives the following particulars

and thinks, and acts, as if he were to use here for ever, - Jortin.

The tendency of Plants to follow Lig t.

-In the spring a posato was less behind in a ce lar, where some ros had been kejt aperture of | git at the upper part of one of or sides. The poteto, which lay in one of p ceitable in all payments, by weight, at the put the gate shall open to him, because he is respects to the officers, and what does she do prought thither. He who sows, even with sir, but bursts out in a laugh, and rays, 'Me pay my respects to the like of them!—don't should be determined by the weight of the sovereign, which is the standard of the pound in the country of its adoption; therefore, as the respects to the officers, and what does she do prought thither. He who sows, even with sir, but bursts out in a laugh, and rays, 'Me pay my respects to the like of them!—don't was insane; that however, might have been which the 23th is familiarly in the country of its adoption; therefore, as the respects to the officers, and what does she do prought thither. He who sows, even with sir, but bursts out in a laugh, and rays, 'Me pay my respects to the like of them!—don't was insane; that however, might have been which the effects of her entire loss of the first ran twenty the effects of her entire loss of the first ran twenty the effects of her entire loss of the first ran twenty the effects of her entire loss of the first ran twenty the effects of her entire loss of the first ran twenty the effects of her entire loss of the first ran the opposite part of one. The pay my respects to the opposite part of the pay my respects to the him, because it is in the country of its adoption; therefore, as the respects to the officers, and what does she do.

The name by which the 23th is familiarly in the effects of her entire loss of the first ran twenty the respects to the him, because it is in the country of its adoption; therefore, as the opposite pay which they could recognize her. Here controlled the pound that the pay my respects to the him, because it is in the country of the pay my respects to the him, because it is in the country of the pay my respects to the him, because it is in the country of the pay my respects to the him, because it is in the country of the pay my respects to the him of the pay my respects to the hi was instine; that however, might have been which first ran twenty feet song the groun.
