Memorandum.

The Vessel at York Fort is in good Condition though built 18 Years since, a Schooner with two Masts, 90 Tons. It is indispensably necessary to load and unload the Vessel. Governor Williams considers it is worth a thousand Pounds with Appointments. Two small Vessels of 150 to 200 Tons each would be more desirable at York than the Prince. . . . It will be necessary to have a Vessel of 40 to 50 Tons to run between York, Severn, Albany and
