We see that every *external* motion, act, gesture, whether voluntary or mechanical, organic or mental, is produced and preceded by *internal* feeling or emotion, will or volition, and thought or mind. As no outward motion or change, when normal, in man's external body can take place unless provoked by an inward impulse, given through one of the three functions named, so with the external or manifested universe.

THE THEOSOPHICAL SOCIETY.

The Theosophical Society is not a secret or political organization. It was founded in New York in 1875. Its main object is the formation of a nucleus of Universal Brotherhood, without any distinctions whatever. Its subsidiary objects are the study of ancient and modern religions, philosophies, and sciences, and the demonstration of the importance of that study; and the investigation of the unexplained laws of nature and the psychical powers latent in man.

The only essential requisite to become a member of the society is "To believe in Universal Brotherhood as a Principle, and to endeavour to practise it consistently."

Every member has the right to believe or disbelieve in any religious system or philosophy, and declare such belief or disbelief without affecting his standing as a member of the Society, each being required to show that tolerance for the opinions of others which he expects from them.

Attendance at the following meetings of the BEAVER Theosophical Society at The Forum, corner of Yonge and Gerrard, (entrance by Gerrard) is invited:

*

SUNDAY, 11 a.m. to 12.15 p.m., "Secret Doctrine" Class.

SUNDAY, 7 p.m., Public Meeting, at which Theosophical Addresses and Readings are given by members, and questions answered.

SUNDAY, 8 p.m., Class for the study of the Sacred Books of the various Religions.

FRIDAY 8 p.m. to 10 p.m., Public Meeting for the informal discussion of the World's Religions, Philosophies and Sciences. This Meeting is specially intended for those who are unacquainted with Theosophical ideas.

*

A meeting for members of the Society is held Wednesday evenings. Persons desiring to join the Society should apply to one of the officers or members. The entrance fee, including subscription for the first year, is \$1.00. Annual subscription, \$1.00.

Books may be had from the Society's library on application to the librarian.
