The min may have go I who is wolling to be. And vain were his search for a nappier state While blessings, so numerous encircle his door

Firange indeed would it be if a land like our ewn Where our roses, though lates', are awee'es' whe blown

Though our winters are long and sometimes sever But lead us to summers delightfully clear Should be less attractive, because of its cold, Than tands full of vices though teeming with gold

But prosperous as Canada always liath been, This year is the best that she ever hath seen, And now she is wreathing a laurel to wear That nations may one day be anxious to share

Her prosperous condition wal appear very piace. Where her farmers get a dollar and a quarter for gran While all their productions so readily self. At prices which now pay them equally well.

To many, it doubtless may seem very queer. Why Dry (cools are cheap and Provisions so hear, tis true, notwithstanding, which our patrons may

By calling on Young Street " One Hundred and Three."

While many must know, an advance very g rai, Has been made in the value of womens of iace. Yet our flamels and blankets will quickly appear, Quite as low as the prices we offered last year.

Our Bonnets and Cloaks have been tastefully made, With a prospect of greatly increasing our trade, And our Shawis and our Furs will at once please the

And induce even the most fastidious to buy.

Our manner of business is extensively known, The lowest price asked, with the art cie shown, And such, we determine, shall continue to be, The uncessing practice at ONE HUNDREL AND THREE
