BRISTOL'S
SARSAPARILLA
AND
SUGAR-COATED PILLS,
The Great Purifier
OF THE
BLOOD AND LIVER.

FROM THE PRESIDENT
OF BAYLOR UNIVERSITY.
"Independence, Texas, Sept. 23, 1882.
Gentlemen:

Ayer's Hair Vigor

Has been used in my household for three
reasons:—
1st. To prevent falling out of the hair.
2d. To prevent too rapid change of color.
3d. As a dressing.
It has given entire satisfaction in every
instance. Yours respectfully,
WM. CAREY CRANE."

AYER'S HAIR VIGOR is entirely free
from uncleanly, dangerous, or injurious sub-
stances. It prevents the hair from turning
gray, restores gray hair to its original color,
prevents baldness, preserves the hair and
promotes its growth, cures dandruff and
all diseases of the hair and scalp, and is,
at the same time, a very superior and
desirable dressing.

Scientific and Useful.

SWEET PICKLED PLUMS.—Four pounds
of plums, two pounds of sugar, one pint of
vinegar; dissolve sugar in vinegar; add the
fruit, and simmer till tender.

RIPE TOMATO PICKLE.—Five pounds of
tomatoes, three of sugar, one pint of vinegar.
Put the tomatoes in a preserving kettle, and
as they heat, pour off the juice; then add
vinegar, sugar and several sticks of cinnamon,
and let all simmer together an hour.

TURNIP SALAD.—Slice very fine three or
four turnips; put them to soak over night;
change the water next morning. Soak until
ten o'clock, then cut up very fine, and put
on salt, pepper, strong vinegar, celery salt
or celery seed. This is a good substitute for
cabbage.

WHIPPED CREAM PIE.—First, line a pie
tin with good crust; then, to a half-pint of
sweet cream add half a cup of powdered
sugar, and beat or stir till thick enough to
cut with a knife, flavour with anything you
like. Fill the crust, laying bits of jelly over
the top.

HONESTY THE BEST POLICY.—An honest
medicine is the noblest work of man, and we
can assure our readers that Dr. Fowler's Ex-
tract of Wild Strawberry is not only reliable,
but is almost infallible to cure Cholera Mor-
bus, Dysentery, Canker of the stomach and
bowels, and the various Summer Complaints,
whose attacks are often sudden and fatal.

PACKING BUTTER.—The genuine stone
crock with its glazing of glass makes a per-
fect package of butter, but the common clay
crock, with its salt wash or vitreous glaze,
is often a delusion in butter keeping; but
what consumer, says the *Farm, Stock and
Home*, ever thought it was the crock itself
that worked the damage and charged it to
this cause.

CROCHET RAG CARPET.—To make a rag
carpet, croch a chain of thirty stitches, turn,
put hook through second stitch, rag over,
draw through second stitches, and repeat un-
til a square is formed. To make a striped
carpet, crochet six times across with plain rags;
then commence the fancy stripe. When that
is done crochet six times across with plain
rags. This makes a beautiful carpet.

It is generally admitted that there cannot
be anything more exquisitely delicate for per-
fuming the handkerchief than Murray & Lan-
man's Florida Water; but its most dis-
tinctive property is its adaptability to the use
of the bath. It is the only perfume that we
know of especially and particularly suited to
use in this way. The power it has of impart-
ing to the water of the bath great soothing,
refreshing, and invigorating effects is peculiar
to itself.

CUCUMBER CATSUP.—Parse one dozen large
ripe cucumbers, take out the seeds and grate
them; make a bag of thin muslin, put the
pulp in and let it drain all night; chop two
or three onions and two or three green pep-
pers, add a tablespoonful of salt and the grated
cucumber; scald one quart of the best vine-
gar and pour over it. It will keep a long
time sealed up in glass jars.

GREEN TOMATO SLICED PICKLE.—Slice
one peck of green tomatoes, and sprinkle
liberally with salt; drain over night in a fine
sieve; in the morning heat in a porcelain
kettle, and pour off the green liquid; then
add three pints of vinegar, a pint and a half
of brown sugar, two spoonfuls each of stick
cinnamon, whole allspice, mustard seed and
whole cloves. Simmer gently till the slices
are tender. Seal up in jars while hot.

WOUNDS by Fish Hooks.—The Fins of
Fish, may be cured by bathing in Perry-
Davis' Pain-Killer.

DR. CRUDELLI, of Rome, gives the fol-
lowing directions for preparing a remedy for
malaria, which may be worth trying, as it is
said to have proved efficacious when quinine
has given no relief. Cut up a lemon, peel
and pulp, in thin slices, and boil it in a pint
and a half of water until it is reduced to half
a pint. Strain through a linen cloth, squeez-
ing the remains of the boiled lemon, and set
it aside until cold. The entire liquid is taken
fasting.

LOST!—How many people of both sexes
are suffering from lost vitality, all broken
down, and on the verge of consumption that
might be restored, as many have been when
given up to die, if they would use Burdock
Blood Bitters, which restores lost vitality and
gives new vigour to the debilitated system.

**Scott's Emulsion of Pure
COD LIVER OIL, WITH HYPOPHOSPHITES.**
Its Great Value in Children's Diseases.
Dr. T. B. CRANDALL, Sterling, Ill., says: "I
have used Scott's Emulsion with very satisfactory re-
sults especially with children. It is doubtless the
best combination of Cod Liver Oil.

Advertising Cheats!!!

"It has become so common to begin an
article, in an elegant, interesting style,
"Then run it into some advertisement,
that we avoid all such,
"And simply call attention to the merits
of Hop Bitters in as plain, honest terms as
possible,
"To induce people
"To give them one trial, which so proves
their value that they will never use any-
thing else."

"THE HONESTY so favourably noticed in a
the papers,
Religious and secular, is
"Having a large sale, and is supplanting all
other medicines.
"There is no denying the virtues of the Hop
Bitters and the proprietors of Hop Bitters have
shown great shrewdness and ability
"In compensating a medicine whose virtues
are so palpable to every one's observation."

Did Sho Die? 22/52

"No?
"Sho lingered and suffered along, pining
away all the time for years."
"The doctors doing her no good;"
"And at last was cured by this Hop Bit-
ters the papers say so much about."
"Indeed! Indeed!"
"How thankful we should be for that
medicine."

A Daughter's Misery.

"Eloven years our daughter suffered on a
bed of misery
"From a complication of kidney, liver,
rheumatic trouble and nervous debility,
"Under the care of the best physicians,
"Who gave her disease various names,
"But no relief,
"And now, she is restored to us in good
health by as simple a remedy as Hop Bitters,
that we had shunned for years before using
it."
THE PARENTS.

"None genuine without a bunch of green
Hops on the white label. Shun all the vile,
poisonous stuff with "Hop" or "Hops" in their
name.

BRIGHTS DISEASE OF THE KIDNEYS.
The above symptoms are not developed in any
order, but appear, disappear and reappear until the
disease gradually gets a firm grasp on the constitu-
tion; the kidney-poisoned blood breaks down the nervous
system, and finally pneumonia, diarrhoea, bloodless-
ness, heart disease, apoplexy, paralysis, or con-
vulsions ensue and then death is inevitable. This ter-
rible disease is not a rare one—it is an every-day
disorder, and claims more victims than
any other complaint.
It must be treated in time or it will gain the ma-
tery. Don't neglect it. Warranted SAFE Cure
has cured thousands of cases of the worst type, and

rected. It is the specific for the universal
