MISCELLANEOUS.

Rev. Dr. Alexander Whyte preached in Cowcaddens church, Glasgow, on a recent Sabbath forenoon and evening.

Catarrh can be successfully treated only by purifying the blood, and the one true blood purifier is Hood's Sarsaparilla.

The session at the Edinburgh College was opened by Prof. Laidlaw with an address on the promotion of practical holiness.

Paisley presbytery has approved of the disjunction of a part of the Abbey parish to form a *quoad sacra* parish to be called Greenlaw.

Rev. Archibald Fleming, M.A., of Newton, Midlothian, conducted divine service in Balmoral castle recently, and dined afterwards with the Queen.

A bazar was held in Kirkcaldy recently, in aid of the manse fund of St. James's church, The Earl of Rosslyn in opening it declared his intention to champion the Church of Scotland.

Mr. James A. Campbell, M.P., speaking at a bazar in Aberdeen in aid of the endowment of Stoneywood church, declared disestablishment to be more serious than disendowment.

RHEUMATISM RUNS RIOT

When there is lactic acid in the blood. Liniments and lotions will be of no permanent benefit. A cure can be accomplished only by neutralizing this acid and for this purpose Hood's Sarsaparilla is the best medicine because Hood's Sarsaparilla is the only true blood purifier prominently in the public eye.

Hood's Pills act easily, yet promptly and efficiently, on the liver and bowels. 25c.

Dumfries synod has been addressed by Rev. Dr. J. Hood Wilson on home missions, Rev. Alex. Lee on the Highlands and Islands, and Rev. Wm. Stevenson on women's foreign missions.

Among legacies by the late Mrs. Agnes Snodgrass, Kilmarnock, are £500 each to the aged ministers', augmentation, and foreign mission funds, and £2,000 to King street church, of which she was a member.

A meeting of office-bearers and others in Glasgow, after hearing addresses from Lord Overton, Mr. M'Candish, and Dr. Ross Taylor on the new regulations of the Sustentation fund, has resolved to engage in a vigorous effort to bring up the minimum stipend to \$200.

ACTIVE EXERCISE

and good food in plenty, tends to make children healthy. If children suffer, however, from Scrofulous, Skin or Scalp Diseases—if their blood is impure and pimples or boils appear, they should be given the right medicine. Dr. Pierce's Golden Medical Discovery brings about the best bodily condition. It purifies the blood and renders the liver active as well as builds up health and strength. Pany, pale, weak children get a lasting benefit and "a good start" from the use of the "Discovery." It puts on *wholesome flesh*, and does not nauseate and offend the stomach like the various preparations of cod liver oil. Once used, it is always in favor.

Dr. Pierce's Pellets cure constipation, headaches, indigestion, dyspepsia. One a dose. Sold by all dealers.

Prof. Calderwood, in a lecture recommending reunion of Scottish Presbyterians, remarked that notwithstanding the divisions there had been no damage to unity of faith, government and worship, and there had been a healthy rivalry and a true progress in thought and feeling. The antagonistic convictions as to state relations must live as distinct forces in the Scottish church, but should not perpetuate severance. A new movement would put a strain on all three churches, but it would be a strain they would profit by.

The first three of fourteen volumes of an Italian work dealing with the voyages of Columbus are nearly ready for publication. The Italian Government is bearing the expense. In the third volume are one hundred and seventy fac-simile plates of Columbus' autograph writings, both authentic and doubtful, in the libraries of Madrid, Seville and Genoa and in the archives of the Duke of Veragua and the Duchess of Alva.

AN IMPORTANT OFFICE

To properly fill its office and functions, it is important that the blood be pure. When it is in such a condition, the body is almost certain to be healthy. A complaint at this time is catarrh in some of its various forms. A slight cold develops the disease in the head. Droppings of corruption passing into the lungs bring on consumption. The only way to cure this disease is to purify the blood. The most obstinate cases of catarrh yield to the medicinal powers of Hood's Sarsaparilla as if by magic, simply because it reaches the seat of the disease, and by purifying and vitalizing the blood, removes the cause. Not only does Hood's Sarsaparilla do this but it gives renewed vigor to the whole system, making it possible for good health to reign supreme.
