

The SOUVENIR

Is a day in and day out, year round and year round demonstration of the "good goods" idea.

A Souvenir with
the Aerated Oven
is the par excellence
of Stove Building.

The result of fifty-five years' experience—the most perfect cooker—the faultless baker—and the easiest of all ranges on the fuel pile and the cook—coal or wood. Nearly 400

different styles and sizes in the Souvenir complete line. One will last a lifetime. Ask for a Souvenir Booklet and post yourself. Sold by good dealers everywhere.
