The six doctors of Calgary some time ago formed an association, one of the rules of which was that they would not accept anything less than \$5 from any benefit or insurance company for a certificate of health. This provision Dr. Henry George afterwards broke, whereupon the other five doctors met together, expelled Dr. George from membership and decided that no member of the association would consult with Dr. George or render him any assistance in his professional work. The advertising which the revolting doctor is getting is likely to increase his patronage.

Raw Furs.

The Montreal Gazette has the following to say about furs: "During the past week many lots have reached the market and at the generally

strong prices the trappers and collectors are satisfied. There is, however, marked exception which claims our attention and that is the extreme prices being offered in the country for beaver. There is no demand to warrant more than our quotations and dealers should not be led to expect more." Prices at Montreal are: Beaver, per pound, \$4.00 to \$5.50; bear, per skin, \$10 to \$15; bear, cub, per skin, \$5 to \$8; fisher, \$3.50 to \$5; fox, red, \$1 to \$1.25; fox, cross, \$1 to \$1.25; lynx, \$1.50 to \$2.50; marten, 75 to 90c; mink, dark, \$1.50 to \$1.75; muskrat, fall, 12 to 15c; otter, \$8 to \$10; raccoon, 50 to 60c; skunk, 50c to \$1.00."

CEYLON planters are rejoicing over the prospect of an extensive introduction of Ceylon tea into the Russian market in consequence of the recommendation of the tea by Russian officials.

It was reported by telegram from London, Ontario, one day last week, that John Elliott & Sons, implement manufacturers, had assigned. This was not a surprise, as it is well known that the firm has been in deep water. A later telegram, from London, said: "Elliott & Sons have not assigned as was stated in previous dispatch. They have made arrangements with the bank whereby they will be able to tide over their present difficulty."
