FOR ADMISSION, Students are required to pass a matriculation examination. (See College circular).
THE CURRICULUM embraces three years of graded study. The Collegiate Year consists of a preliminary (or optional) Session of about fourteen weeks, and a Regular Session of six months.

THE REGULAR SESSION will open on the first Tuesday in September, and will close early in the following March. The Preliminary Session commences on the second Tuesday in March. During both the Preliminary and Regular Sessions, the several Professors will take special pains to examine the students upon the subjects of the previous lectures.

The large CENTRAL FREE DISPENSARY in the College building is open daily, and affords a vast amount of clinical material, which will be utilized for the practical instruction of the students. In addition to this, ample Hospital advantages are offered to the students of this College. The Michigan College of Medicine Hospital is under exclusive control of this Faculty, and is distinctively a Clinical Hospital, the students being brought into direct bedside communication with the patients.

FEES.—Matriculation Fee (paid but once), \$5; Annual Fees (including tickets for Regular and Preliminary Terms), \$50; Optional (or Preliminary) Term, to students who do not attend the Regular Session, \$15; Graduation Fee, \$20.

For further particulars, and for College circular, apply to

J. J. MULHERON, M. D., Registrar.
