## TENDERS WANTED.

Sealed tenders addressed to either of the undersigned (with whom plans and specifications can be seen) will be received until noon on MARCH 17, 1902, for the erection of two Steel Bridges, to be built over the River Thames. One near the Muncy Station, M. C. R., between townships of Carleton and Delaware, consisting of two spans each 125 feet C to C, and two spans each 60 feet C to C, 16 foot roadway, the other about 5 1/2 miles south of Glencoe, G. T. R. consisting of one span 240 feet C to C. This bridge is to be designed for a solid concrete roadway 16 feet wide. At the same time tenders will be received for Concrete Substructures for the above bridges.

CHAS. TALBOT, Bridge Commissioner, County Building, London, Ont.  
JAN. A. HELL, County Engineer, (City Hall, St. Thomas, Ont.

## City of Winnipeg

Tenders for the Supply of 1200  
Tons of Asphalt.

Sealed tenders, addressed to the Chairman of the Committee on Works, for the supply of 1,200 tons of asphalt for street paving for the City of Winnipeg, will be received at the office of the undersigned up to 8.30 p. m. on Thursday, Feb. 27, 1902.

Specifications and forms of tender may be obtained upon application at the office of Col. H. N. Rutlan, City Engineer, Winnipeg.

Each tender must be accompanied by an accepted cheque or cash deposit for the sum called for in the form of tender supplied, which will be subject to forfeiture in case of failure on the part of the contractor to enter into a written contract if called upon to do so. If an accepted cheque is submitted it must be payable at par in Winnipeg, or be for an amount sufficient to cover exchange over the sum called for in the form of tender supplied.

The city reserves the right to reject any or all tenders or to accept any bid which appears advantageous to the City of Winnipeg.

City Clerk's Office,  
Winnipeg, Jan. 25, 1902.

C. J. BROWN,  
City Clerk.

WANTED - A FIRST-CLASS ARCHITECTURAL Draughtsman, one with experience required. Apply, stating terms, etc., G. M. BAYLY, Architect, Ottawa.

## NOTICE TO CONTRACTORS

### Construction of Drainage Works

Sealed proposals addressed to the Engineer in Charge and endorsed on the outside "Proposal for the Construction of the Petite Castore River and Annable Creek Drainage Works," will be received until 12 o'clock noon, of

MARCH 15th, A. D., 1902.

The work consists of the improvement and extension for drainage purposes of the Petite Castore River and Branches in the Townships of Mountain, Winchester and Russell and requires the excavation of approximately

384,500 CUBIC YARDS OF EARTH  
12,380 CUBIC YARDS OF ROCK

and the supply of material for and the construction of the Road Bridges in the Township of Winchester, as well as the removal of all obstructions in the shape of trees, stumps, stones, etc.

Each proposal must be accompanied by a certified check or cash, payable to the Treasurer of the Township of Winchester, for 5 per cent. of the bid. In case the proposal is accepted the deposit will be retained until the contract is duly signed when it will be returned to the contractor and bonds taken in the amount of 15 per cent. of the contract price as a guarantee of the faithful performance of the work.

Proposals must be made on the printed forms which may be had on application to the Engineer on or after Feb. 14th, 1902, after which date the plans, profiles, specifications, forms of tender contract and bond may be seen at the office of the Engineer.

The right is reserved to reject any or all tenders.

THOMAS H. DUNN, Engineer,  
Winchester, Ont.  
Winchester, Ont., Jan. 21, 1902.
