

\$93 Sewing Machine Free!

We want one person in every village, town and township, to keep in their homes a line of our **ALIP SAMPLES**; to those who will keep and simply show these samples to those who call, we will send, free, the very best Sewing Machine manufactured in the world, with all the attachments. This machine is made after the **SIXTEEN** patents, which have expired. Before the patents run out, this style machine, with the attachments, was sold for \$93; it now sells for \$50. Reader, it may seem to you the most **WONDERFUL THING ON EARTH**, but you can secure one of these machines **ABSOLUTELY FREE**, provided your application comes in first, from your locality, and if you will keep in your home and show to those who call, a set of our elegant and unequalled art samples. We do not ask you to show these samples for more than two months, and then they become your own property. The art samples are sent to you **ABSOLUTELY FREE** of cost. How can we do all this?—easily enough! We often got as much as \$2,000 or \$3,000 in trade from even a small place, after our art samples have remained where they could be seen for a month or two. We need one person in each locality, all over the country, and take this means of securing them at once. Those who write to us at once, will secure, **FREE**, the very best Sewing Machine manufactured, and the finest general assortment of works of high art ever shown together in America. All particulars **FREE** by return mail. Write at once; a postal card on which to write to us will cost you but one cent, and after you know all, should you conclude to go no further, why no harm is done. Wonderful as it seems, you need no capital—all is free. Address at once, **TRUE & CO., AUGUSTA, MAINE.**
