## TO INVESTORS

## Brandon, Manitoba

and surrounding territory presents to Intending Investors, large and small, the best possible opportunity at the present time (now) to realize large returns quickly.

Brandon Real Estate has never been boomed as other Western cities have, consequently prices are low comparatively.

With hundreds of thousands of dollars being spent in paving and other civic improvements.

With a million dollars' worth of contracts already let for private enterprises this year, Brandon is sure to forge ahead and increase greatly.

Brandon is the place for the conservative investor.

## CANADIAN NATIONALITY.

The Canadian National League, which was formed to protest against reciprocity with the United States of America, has issued an interesting pamphlet, entitled "Canadian Nationality, British Connection and Fiscal Independence."

The pamphlet, which deals in an interesting and convincing manner with the subject, says that "Canadians must now choose which way they will go. Shall we continue along the path which has led us to our present prosperity and to our proud position as the keystone in the arch of a United British Empire, or shall we take the path which leads to Washington?"
