 none is genuine.

EPP'S COCOA.

EPP'S COCOA.—*All the Year Round* says—"Let us stroll to the Euston Road, hard by the Regent's Park, to Epp's Cocoa Manufactory, where may be studied the making of cocoa on a stupendous scale, giving a just idea of the value of these articles, not as luxuries, but as actual food."

EPP'S COCOA.—*John Bull* says—"An idea of the vast extent of the industry may be gained from the fact that one firm alone—that of Messrs. Epps & Co.—now sell some 4,000,000 pounds annually."

EPP'S COCOA.—*Christian World* says—"If I am to take cocoa," said I, "I must see and judge for myself what are the ingredients of which it is composed; with this view I made my way to the cocoa manufactory of James Epps & Co., in the Euston Road."

EPP'S COCOA.—*Cassell's Household Guide* says—"We will now give an account of the process adopted by Messrs. James Epps & Co., homœopathic chemists and manufacturers of dietetic articles, at their works in the Euston Road, London."

EPP'S COCOA.—*Morning Advertiser* says—"Nearly two centuries after, in 1832, the duties, which had hitherto been almost prohibitive, were greatly reduced, and one of the first to take advantage of re-establishing the popularity of cocoa was Messrs. Epps & Co., the Homœopathic Chemists."
