

Frozen Scallops:

Demand exists for retail packs of 250 gm.

Walleye/Pickereel Fillets:

There appears to be some demand for fillets in units of 100-150 gm. Demand for frozen fillets is for 95 percent skin-on, 20-30 grams per piece, IQF in bulk 5 kg boxes, shipped FCL or in retail packs of 400 grams. Demand for fresh fillets is for 60 percent skin-off, imported by air in styrofoam cases of 10 kg, then passed on to distributors who supply the hotel/restaurant trade and chain stores with retail packs.
