

III.-

CONCLUSIONS

SOLID JOINT VENTURE ASSOCIATIONS PRESENT A REAL POTENTIAL FOR CANADIAN ENGINEERING AND ENGINEERING CONSTRUCTION COMPANIES IN MEXICO.

IT SHOULD BE NOTED THAT MOST MAJOR COMPANIES ARE MORE DIVERSIFIED IN THEIR ACTIVITIES THAT THE SPECIALIZED COMPANIES IN CANADA.

AS AN EXAMPLE, A MAJOR CIVIL CONTRACTOR WILL BE SELF SUPPORTING WITH HIS OWN EQUIPMENT, AGGREGATES, CONCRETE PLANTS, MIXERS ETC., RATHER THAN RELY ON SUPPLIERS OF SAY, REDI-MIX.

MOST MAJOR HOTELS, TOURIST DEVELOPMENTS ARE OWNED IN THE MAJORITY BY THE CONTRACTOR WHO BUILT THEM.
