(f) It shall apply financial, technical, economic, legal and institutional feasibility criteria to justify investments and the adequacy of the guarantees offered; and

(g) It shall not undertake any financing for which, in its opinion, sufficient capital could be obtained on adequate terms.

Section 4. Limitations

(a) With the exception of the investment of liquid assets of the Corporation referred to in Section 7(b) of this Article, investments of the Corporation shall be made only in enterprises located in developing regional member countries; such investments shall be made following sound rules of financial management.

(b) The Corporation shall not provide financing or undertake other investments in an enterprise in the territory of a member country if its government objects to such financing or investment.

Section 5. Protection of Interests

Nothing in this Agreement shall prevent the Corporation from taking such action and exercising such rights as it may deem necessary for the protection of its interests in the event of default on any of its investments, actual or threatened insolvency of enterprises in which such investments have been made, or other situations which, in the opinion of the Corporation, threaten to jeopardize such investments.

Section 6. Applicability of Certain Foreign Exchange Restrictions

Funds received by or payable to the Corporation in respect of an investment of the Corporation made in any member's territories shall not be free, solely by reason of any provision of this Agreement, from generally applicable foreign exchange restrictions, regulations and controls in force in the territories of that member.

Section 7. Other Powers

The Corporation shall also have the power to:

(a) Borrow funds and for that purpose furnish such collateral or other security as the Corporation shall determine, provided that the total amount outstanding on borrowing incurred or guarantees given by the Corporation, regardless of source, shall not exceed an amount equal to three times the sum of its subscribed capital, earned surplus and reserves;

(b) Invest funds not immediately needed in its financial operations, as well as funds held by it for other purposes, in such marketable obligations and securities as the Corporation may determine;

(c) Guarantee securities in which it has invested in order to facilitate their sale;
