

Proposed Committee on Pollution

must be done to see that in areas which have been set aside specifically so that they will be preserved for future generations this type of pollution does not exist. Pollution does not occur only in large urban areas. It occurs equally in the remote areas where the rivers originate. Again this is an indication that there must be some new study of this very great problem. The resolution does not go far enough.

Mr. Deputy Speaker: Order, please.

Mr. Knowles (Winnipeg North Centre): Question.

Mr. Deputy Speaker: The hour provided for the consideration of private members' business has now expired. It being six o'clock this house now stands adjourned until 2.30 tomorrow afternoon.

At six o'clock the house adjourned, without question put, pursuant to standing order.
