No. 414

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of Alberta of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

No. 415

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the Northwest Territories of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the territories?

No. 416

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the Yukon Territory of Status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the territory?

No. 417

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of Ontario of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

No. 418

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of Quebec of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

No. 419

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of Newfoundland of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

No. 420

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of New Brunswick of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

No. 421

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of Nova Scotia of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

No. 422

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of Saskatchewan of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

No. 423

1. For the years (a) 1976-77 (b) 1977-78 (c) 1978-79 (i) what were the three major causes of death (ii) what was the death rate per 1,000 live births from each cause of death in the province of Prince Edward Island of status Indian children?

2. For the same years, what were the comparative figures for the rest of the population in the province?

Hon. Monique Bégin (Minister of Health and Welfare):

See the tables below for relevant statistical breakdown on a provincial and territorial basis, with the exception of the Atlantic region where information for registered Indians is not available by province. A Canada-wide table is also provided.

Note: Infant mortality rates include deaths from time of birth to age one year. "All causes" is defined as those mentioned on each chart and all other causes of death.

Infant Mortality—1976, 1977, 1978
Indian* and Canadian** Populations—Major Causes and Rates

Question No. 412

Region Population	1976		1977		1978	
	Cause	Rate	Cause	Rate	Cause	Rate
Manitoba Indian	Certain perinatal causes	8.01	Certain perinatal causes	11.38	Certain perinatal causes	9.78
	Infective, parasitic diseases	7.12	Respiratory diseases	7.11	Ill-defined conditions	5.59
	Respiratory diseases	5.34	Infective, parasitic diseases	4.27	Congenital anomalies	5.59
	All causes	30.25	All causes	34.9	All causes	26.55
All other children in Manitoba	Certain perinatal causes	7.41	Certain perinatal causes	7.86	Certain perinatal causes	6.77
	Congenital anomalies	2.69	Congenital anomalies	2.88	Congenital anomalies	2.74
	Ill-defined conditions	1.85	Ill-defined conditions	2.16	Ill-defined conditions	1.40
	All causes	15.60	All causes	16.62	All causes	13.70
